OF ADMIRATION AND AFFECTION IN THIS, THE YEAR
OF HER CORONATION, ONE THOUSAND, NINE HUNDRED
AND FIFTY-THREE, WE, HER LOYAL SUBJECTS, THE
STUDENTS OF THE UNIVERSITY OF ALBERTA, HUMBLY
DEDICATE THIS BOOK TO HER GRACIOUS MAJESTY THE

Queen

Foreword

With the presentation of another volume of Evergreen and Gold, published in the Coronation year, we take the opportunity of marking the occasion by adopting a Royal theme.

One, two, and more decades from now, our memories of university will be of the studies, whether the pressure of exams or the hurry to complete a lab. assignment; of the people, whether professors or classmates; and of the events, whether athletics or meetings or dances. We have attempted to include a reminder of each of these in this volume.

With the adoption of the Royal theme, we are associating this feeling of nostalgia toward our years of education with a similar feeling, that of the deep tradition and patriotic spirit which we are favoured to enjoy as Citizens of a Member Nation of the British Commonwealth and Empire.

In Memoriam

THE DEAD

*There are waters blown by changing winds to laughter
And lit by the rich skies, all day. And after,
Frost, with a gesture, stays waves that dance
And wandering loveliness. He leaves a white
Unbroken glory, a gathered radiance,
A width, a shining peace, under the night.*

PRESIDENT ANDREW STEWART, B.S.A., M.A., LL.D.

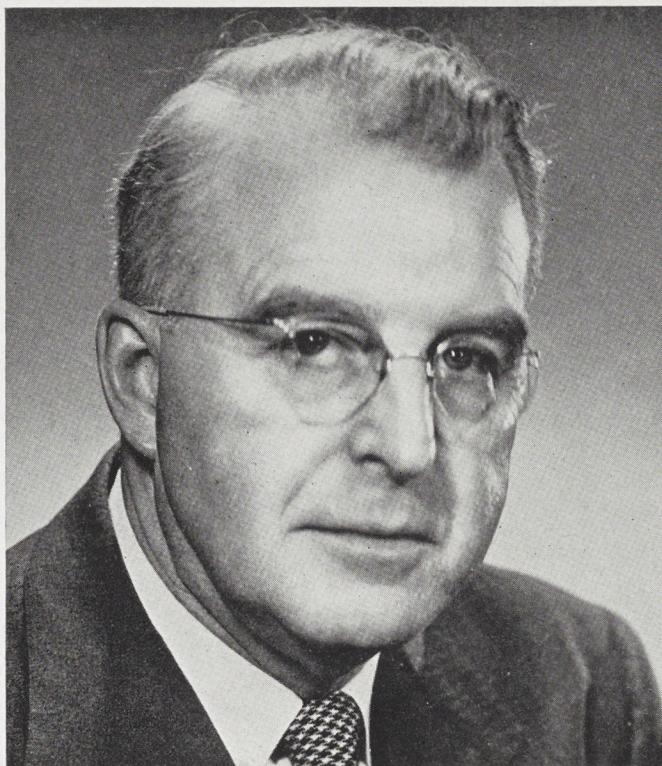

The doctrine of the divine right of Kings persisted beyond the time of the first Queen Elizabeth. King James I, who was called "the wisest fool in Christendom," wrote a book entitled "The True Law of the Free Monarchy." Somewhat later, Louis XIV of France is reputed to have said, "Le'etat c'est moi."

The doctrine represented that, under God, the monarch had unlimited authority. Law was the will of the King. Royal prerogatives were to be exercised without accountability. The position was defended on the ground that the absolute monarchy was necessary to the maintenance of order and stability in society. It was implied that the subjects could not be expected to judge for themselves. Frederick the Great put it—"No one reasons, everyone executes."

Great changes in political thought and conduct have occurred over the succeeding centuries. The Crown is no longer a symbol of the sovereignty and authority of its wearer. But the affectionate regard for the person of the constitutional monarch is now an important factor in maintaining the degree of harmony, solidarity and order which is required for a healthy functioning society.

Few would dispute that the great changes have also been great advances. There is no doubt that education has been a powerful factor in making these advances possible.

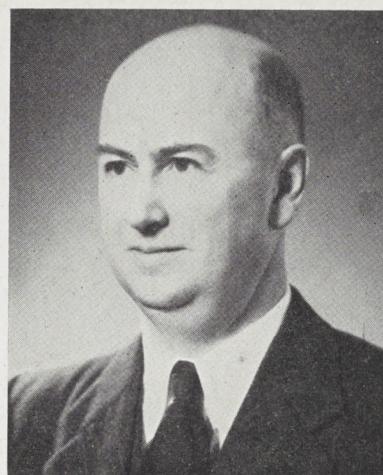

DR. EARLE P. SCARLETT, B.A., M.B., F.R.C.P.

Dr. Earle Parkhill Scarlett was installed as the new Chancellor of the University of Alberta October 31st, 1952. He was born in High Bluff, Manitoba, the son of a Methodist clergyman. After completing his schooling he served with the Second Machine Gun Battalion in France and was wounded at the Battle of Amiens in 1918.

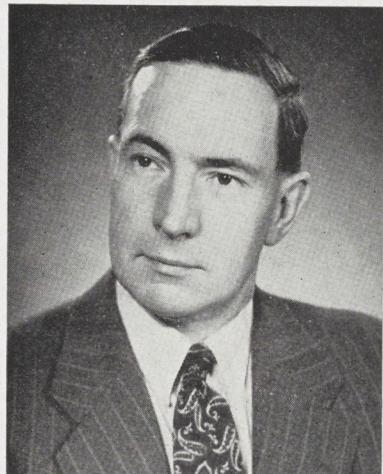

Returning to civilian life he graduated in Arts from the University of Manitoba and lectured in English at Wesley College. He then proceeded to Toronto where he studied Medicine and upon graduating he interned at the Henry Ford Hospital in Detroit. Following his internship he was appointed as an Assistant Professor in Medicine at the State University of Iowa. Dr. Scarlett went to Calgary in 1930 where he has served the people of Southern Alberta faithfully and well, both medically and culturally.

As well as being the President of the Calgary Associated Clinic and Senior Consultant in Medicine of the Colonel Belcher Hospital he is a life member of the Calgary Y.M.C.A.; he is a member of the Rhodes Scholarship Selection Committee, Alberta; Chairman, Selection Committee, University of Alberta National Award in Letters.

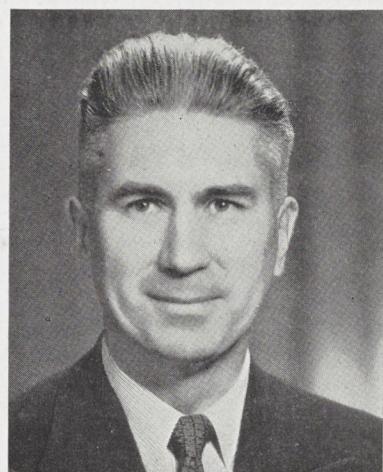

Dr. Scarlett is a worthy successor to a long line of eminent predecessors. In him we have an outstanding scholar, a soldier and an Irish-Canadian gentleman.

THE RIGHT HONORABLE VINCENT MASSEY
Governor General of Canada

Since Canada's confederation in 1867, the post of Governor General has been held by 17 successive British peers. Then, in January of 1952, precedent was broken. For the first time in its history Canada received a native born Governor General. He was Toronto-born Vincent Massey, 64, scholar and diplomat, who has done possibly as much as any single individual in this vast Dominion of ours to give Canada national consciousness and the initiative which places her today among the great countries of the world.

Educated at the University of Toronto and Oxford, he became the first Canadian Minister to the U.S.A. (1927-1930), and served as High Commissioner to Great Britain (1935-1946). Two years ago he was Chairman of the Royal Commission which resulted in the now famous Massey Report on Canadian culture.

Whether or not the appointment of a Canadian to the post of Governor General was a forward step in Canada's march to national unity and international responsibility will be determined by history yet to be written.

History that has already been written reveals Vincent Massey as a Canadian of the highest order. One of his greatest aims has been, and seems likely to remain the national unity of Canada.

In his book, "On Being a Canadian," he says:

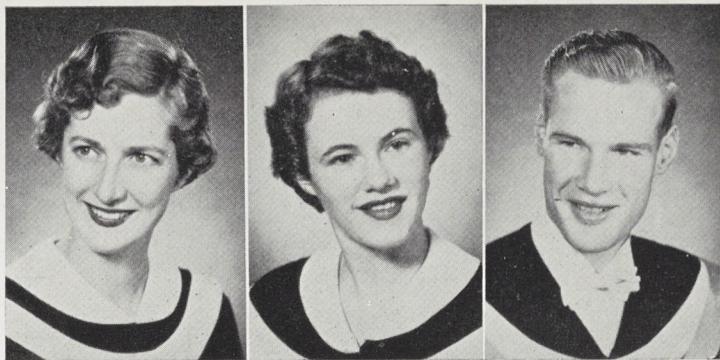

"We (Canadians of French and of British heritage) should know more about each other than we do, and as a means to this end we should know more than we do about each other's language . . . Our languages are those which have, above all others, given the world its present civilization and when a Canadian is familiar with both, he not only contributes to the unity of his country, but he adds to his equipment as a civilized person."

What part do our Universities play in unity building? Said Mr. Massey:

"In our Universities as in everything else in Canada, we are developing characteristics which are ours. The strands in the fabric may be English or Scottish or French, but the pattern can be called Canadian."

DOUG SHERBANIUK

The Golden Key Society, now in its fourth year of existence, is an honorary organization composed of eighteen members appointed by Students' Council.

The primary purpose of the Society is to give due recognition to students who have rendered outstanding service to the student body of the University, and assisting various campus organizations in their social activities.

The most important events in the first half of the year for Golden Key were the visit to the campus of the Governor-General, and Freshman Introduction Week, the most successful in history, according to the Gateway. Perhaps one reason for this opinion was the adoption of the very popular Eton caps as permanent regalia for future Freshman classes, and the distribution of free cigarettes.

In the latter part of the year, Golden Key played a major part in the festivities held during Varsity Guest Weekend.

The Golden Key Society passed its baptism of fire with flying colors and has continued to function as an important and effective organ in assuring the success of many campus functions.

Golden Key Society

Third Row: Colin Kerr, Sandy Heard, Geoff Mortimer, George Lynch-Staunton, Arnold Murray.

EDWARD STACK
President

This year under the capable direction of the Golden Key Society, the most enthusiastic group of freshmen in recent years, was introduced to our University. Aided by perfect weather, and the tireless assistance and co-operation of upper-classmen, "frosh" energy and ardour was given full vent by numerous activities designed to give them a memorable "Alberta" welcome.

The remarkable amount of eagerness and intensity of spirit displayed during Freshman Week did not end there. The entire student body became aroused, and demanded an activity capable of creating and sustaining maximum student interest and participation. The return of football became the topic of the day, and through the concerted efforts of Council, the University Athletic Board, and a group of enthusiastic organizers, plans were prepared to make football the outstanding autumn sports attraction of 1953 at the University of Alberta.

In other respects the student body showed an increasing interest in student functions and extra-curricular activities. The Parliamentary Forum was revised, and the Public Speaking Club was re-organized. Other clubs and organizations realized that measure of success they have become accustomed to in past years.

The Students' Union Building and its facilities were in constant demand. It has become increasingly evident that our building is now the nerve centre of student affairs. This situation was most encouraging, and I feel it clearly indicated that student interest in SUB continued to grow after its opening three years ago.

This term of office as your president has been a most gratifying and interesting experience, but I must point out that without your whole-hearted co-operation and assistance, no measure of success could have been attained.

On behalf of the Students' Council, I thank all those students who gave so freely of their time and talents, and at the same time, I welcome this opportunity of extending to you all my most sincere wishes for a happy and successful future.

WAUNEITA

The Co-eds on the University of Alberta Campus are joined by a common bond, the Tribe Wauneita. Their home, the Wauneita Lounge, is the centre of their many activities.

The Indian theme of the tribe was added to this year at the Formal Tea in honor of the Freshettes, by the presentation of a large mural, depicting an Indian Legend, and extending the entire length of the fireplace. This beautiful painting is the work of Prof. H. G. Glyde and the generous gift of Mrs. G. Ross Gibson, the former Helen Beny of the Class of '23. The enthusiastic co-operation of the Wauneita Executive and Council, and of all the girls on the campus has shown the true meaning of their motto: "Payuk Uche Kukeyow—Kukeyow Uche Payuk,"— "Each for all and all for each."

Wauneita Initiations

The New Wauneita Mural

The Wauneita Society through its various activities during the Varsity year, enriches campus life in many ways. Each Freshette was welcomed upon her arrival; soon became a Brave of the Tribe Wauneita at an impressive ceremony held during Frosh Week.

This year's Formal, "Stardust Melody," and the Christmas White Gift Party," were Wauneita highlights. But coffee parties, teas, and the ever popular Waw-Waw Weekend will bring back happy memories too, as the Braves close camp in true Tribal Fashion.

Third Row: Beth Gilmour, Marg Visser, Carol Wensley, Bette Ann Eck.

DR. M. L. VAN VLIET
Chairman

The purpose of the University Athletic Board is to preserve, encourage, and direct all amateur athletic sports and games, both intra-mural and extra-mural, among the students at the University of Alberta. Under the chairmanship of Dr. M. L. Van Vliet, head of the University Physical Education Department, the board, with its three elected student members, Geoff. Mortimer, Vice-Chairman; Ed. Trott, Treasurer and Miss Billie Niblock, Secretary, its one appointed Faculty member, Dr. P. S. Warren and its two non-voting members, Miss Austin, Director of Women's Athletics, and Earl Lomas, Publicity Manager, has worked hard, and made great strides forward in extending the scope of all of its activities.

Greatest participation by the student body in sports is made through the intramural program. This year under the capable direction of Herb McLachlin of the Department of Physical Education, efficient plans were made for the greatest possible enjoyment of both recreational and competitive sports. Included in this program were—touch football, hockey, basketball, cross-country racing, volleyball, swimming, table tennis, badminton, soccer, tennis and track and field events.

The spectator's choice—The Inter-Varsity Sports—received a boost this year when the University of Manitoba returned to fuller participation in the Western Canada Inter-Collegiate Athletic Union. The Board interpreted this as the heralding of a new era in Western University sports, and in an endeavour to help the campus spirit keep pace with this new movement, appointed Earl Lomas, Publicity Manager. He did a fine job of keeping students well informed regarding all phases of U.A.B. activities. A pioneer step in this direction was the introduction of the Alberta campus of a Booster Club which will keep interest in Inter-Varsity Hockey, Basketball and the proposed Football at a high peak throughout the scholastic year.

EVERGREEN

JOHN FRANCIS
Director

JAMES JOHNSON
Assistant Director

The usual cry of blood, toil and tears evident in the Evergreen and Gold office in other years was not present this year in any formidable form. Commencement of the photography work three weeks earlier than usual gave the staff a precious three week lead which was maintained throughout the year.

Faced with rising costs and a stationery budget the staff economized on every detail. The sweeping idea to get as much on a page as possible practically got out of hand. The Editor had to draw the line when he discovered the Law Club, Mixed Chorus, Agriculture Club and Nursing Undergraduates cuddled on one page.

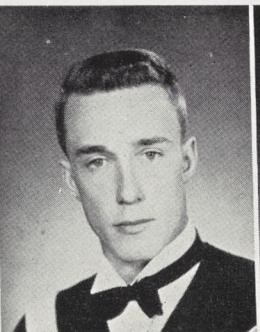

Under the capable leadership of John Francis, the staff maintained a fair degree of harmony during their association, some requiring hospitalization only once.

Dear Diary

Guided by the new contract the staff through telegraph, telephone and messenger did an efficient job of meeting the rigid deadlines. Two new editors were added in the form of sub-editors. Their job was the rewriting of already composed copy.

For the first time in 99 years, the students' section was completed before Christmas. Representatives from each faculty composed its widely diversified staff.

Ascending lines of responsibility, discovered by Director Francis in his third year Commerce course, were the by-words. Each member of the staff was responsible only to the man above him. Through this effective system, the 1953 Evergreen and Gold was able to surpass all previously established publication dates.

GATE

"Gateway" and "ulcers" have become synonymous over the last few years, and this term was no exception.

There were the same old problems, staying up all night to meet deadlines, keeping the news staff in one piece and trying to brighten up the pages on a limited budget.

Editor Doug. Fitch was greatly assisted in the first half of the year by the help of three professional writers, Bob Jones, Graham Laughren and Jim Sherbaniuk. Sports Editor Earl "Doc" Hardin deserves a special mention for his meritorious achievements on the sports section.

Two other assets were Advertising Manager Graham "money-bags" Ross and makeup artist Brian Evans, who burned the midnight oil more than once to put the paper to bed.

"Honest! Chief!"

"In the Book!"

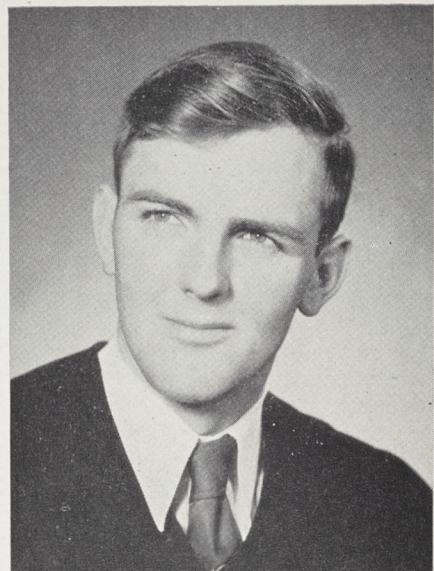

Dictator!

WAY

TERENCE DUNN
News Editor

HUGH LAWFORD
Managing Editor

Naturally the year wouldn't have been complete without numerous verbal battles and much ink shed. Columnist DCP and his "Casus Belli," to say nothing of Jones' "Now Read This," threw the campus into an uproar more than once.

The Gateway came under fire several times for some of its policies. The paper this year was limited to one a week instead of the traditional bi-weekly schedule. Much of the usual sparkle and flash of past years was toned down by the conservative tastes of Doug. Fitch. However the Gateway continued to provide adequate coverage for campus events.

The staff change at Christmas saw Hugh Lawford take over as Editor-in-Chief. Hugh had his hands full covering the "Student Exchange" and "Endicott" questions, but produced a good newspaper for the spring season.

EARL HARDIN
Sports Editor

"Ink Sports!"

"Hel-l-o!?"

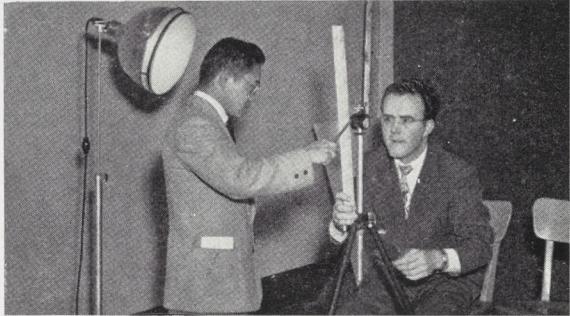

"Flash! Made the team
for Wauneita!?"

Back row: Henry Chorney, John Gariepy, Chuck Liebe,

Front row: Jim McGregor, Don Green, Frank LeDez,
Glen Jones.

P h o t o

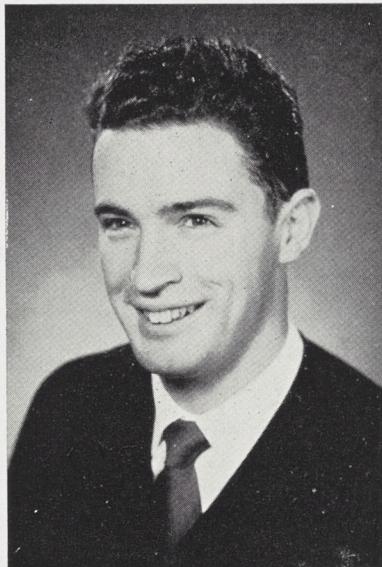

Tats Yamamoto and Don Hauck adjust a tripod.

D i r e c t o r a t e

The flash guns of the Photography Directorate lighted the prominent nights of the year and set down for all time those events which bespoke of work and relaxation for the terms just ended.

Well manned this year by Frank LeDez and with a good representation from the campus, most of them from the Faculty of Engineering, the quality of pictures was maintained at a high standard.

FRANK LE DEZ
Director

Keeping the *Gateway* and the *Year Book* supplied with pictures was the main function of the Club although the fellows and their lone mascot, Rowena Wright, did manage time to further their hobby with that artistic abstract touch of the mind that has also entered the field of photography. To this group are added those file clerks who always seemed to be in the midst of confusion but who were often so responsible for meeting the deadlines of the Varsity Publications.

"Frank and friends file."

"Double exposure?"

TELEPHONE DIRECTORY

JAMES JOHNSON

Director

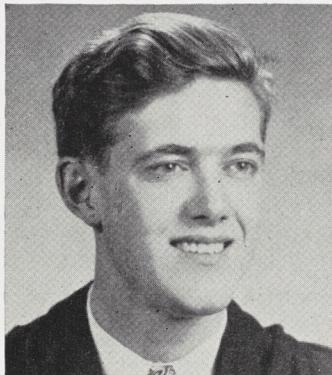

The early production of this handbook is a fine example of what can be accomplished by a non-paid group who are working under the influence of enthusiasm.

A popular little volume around the campus is the Students' Union Telephone Directory, well termed "The Key to the Campus." Jim Johnson and his staff of 25 number happy females completed the hectic race on October 30th.

Deadline—s'il vous plait!!

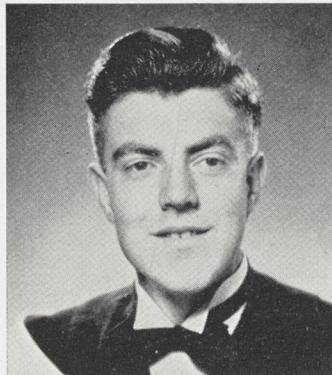

ALARM

STAN WHITBREAD
Editor

After considerable Students' Union controversy matching merits against cost, the Alarm appeared four times weekly after Christmas, with news of club activities, sports and social functions, under the editorship of Stan. Whitbread.

PUBLIC RELATIONS

DOUG. BURNS
Public Relations Officer

BOB EDGAR
Assistant

One of the least heralded Students' Union jobs on this campus is that of the Public Relations Officer. The 1953 P.R.O. Doug. Burns, his assistant Bob Edgar and a capable staff were responsible for the Students' part in Varsity Guest Weekend, for the organization of the Civic and Parliamentary Dinners, and for the co-ordination of the football parade.

NEW TRAIL

ALEXANDER MARKLE

Secretary of the Alumni Association

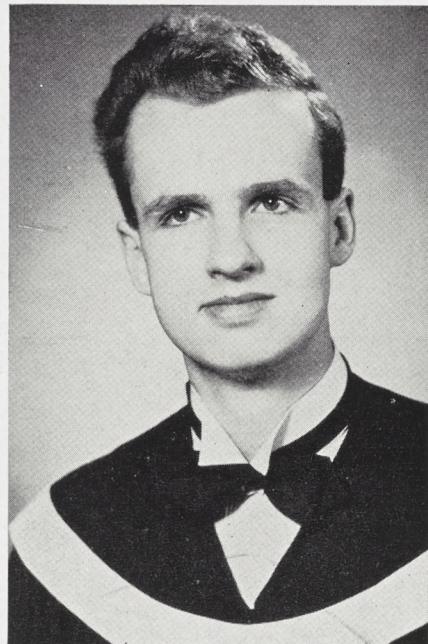

A publication for the Alumni of the University of Alberta, The New Trail is the only visible contact the University has with its graduates.

Published quarterly under the direction of A. G. Markle, secretary of the Alumni Association, the publication has a circulation of 3,600.

Within its covers are found the interesting and informative short pieces on University development and staff changes, illustrated articles written by graduates, poetry, special sections devoted to campus personalities, plus short vignettes sketching the whereabouts, honours, and activities of graduates.

Each issue contains news from the 16 branches of the University of Alberta Alumni Association located across Canada.

The New Trail is given free to every graduate for one year after he graduates, thereafter the publication costs him two dollars a year.

ERIC HARVIE

Editor

S T E T

Stet is the annual publication of the Students' Union. Its primary aim is to encourage and provide a showcase for any literary ability on the campus. Released in March of this year, Stet completed its sixth year of publication. A more sophisticated type of literature, Stet has been the cause of many verbal battles and has not been too well accepted on the campus. The high tone of its articles seems beyond the ken of the average student. Stet was originally a quarterly publication but the sword of controversy has cut it to its present annual position.

VALEDICTORY

R. S. THARP

Valedictorian

AS WE stand upon the threshold of the new world opened to us by graduation, let us consider in retrospect the effects of the past few years upon our lives as students. Perhaps the two words that can best sum up our feelings should be those of "thankfulness" and "hope."

Although a Valedictory means a farewell address, that is not in essence the purpose of these moments. Now is a time for rejoicing, that at last we may endeavour to apply our energies to the solution of real and not academic problems. We are grateful for the opportunities thus thrown open to us for the first time, and should we speak of separation, it would voice only a weak sentiment which really has nothing of truth to support it. We will never cease to be banded together in ties of kindred thought and purpose, so long as we continue the quest for knowledge, which alone may make us worthy members of Convocation.

We cannot fail to appreciate and recognize the opportunity which has been ours of training for our chosen vocations, and just to what extent we have each responded is an individual matter with us all. Nevertheless, by our future conduct may we endeavour to take full advantage of that training, and by so doing be of greater service to those with whom we come in contact.

Into the treasure chest of memory we now place pictures of friendships, congeniality, social enjoyments and good fellowship. With the passing years may their recollection aid and enrich a similar prosperity in each of us. As an illustration, in a lighter vein, of the necessity

for extra-curricular activity, perhaps the following may be permitted:

*"If you keep your nose to the grindstone rough,
And hold it down there long enough,
Pretty soon you will say there is no such thing
As brooks that ripple, and birds that sing.
Your world will just these three compose,
Yourself, the stone, and your sore old nose."*

To this University and to the guidance and counsel of the Faculty we owe much. Perhaps their greatest reward is in any success we may achieve.

Doubtless the class of '53 is fortunate to be leaving the halls of learning at a time of comparative peace, and remarkable development. Now, with other thousands of graduates of this and other years, it is our opportunity to help place Canada among the world's best educated and most enlightened nations.

The world at large has every right to expect us to be better citizens than those who have not had the privileges we have enjoyed. Our Faculty, our Legislature, and our Province have charged us with the trust of using our acquired education for the good of others, as well as for the good of ourselves. We must not betray this trust, but must zealously and enthusiastically apply our knowledge with due toleration and understanding to future problems. No words could be more appropriate than our own motto "Whatsoever things are true" which stands as a challenge to us who must dare to follow its stringent requirements.

CLASS HISTORY

SHIRLEY STINSON

1952 - 1953

WE ARE the class of '53. As we leave University a multicolored picture comes to our minds.

Varied are the hues of the individual activities but there are colors common to us all. We remember Frosh Week with its ridiculous hats and the excitement of the Snake Dance. Is there one of us who forgets the eight o'clocks in which we so diligently copied notes word for word? We remember the fascinating Sophomores who seemed to know everything. It was they who gave us Ben Franklin's words "He that can rest is greater than he who can take cities" at which point we enrolled in that very enlightening course, Tuck 61. It soon became obvious that University was to be something besides academic learning. We won't forget the Wauneita formal, the Latin Quarter, the Drama Club's "Alice in Wonderland," the Mixed Chorus concert and the Sunday evening Musicales.

There was the Mardi Gras with its mystery of the stolen ballot boxes and kingship for smiling Mr. Lister. The Med. Show returned to the campus, for better or for worse, for the first time since 1936. What better advertisement than a thirteen year ban! That same year the Flying Club was formed and the Outdoor Club built a new cabin. All at once there was a sudden impact of exams, and, our first year was over.

As Sophomores we were to be amongst the initiators of the new Students' Union Building. We were duly awed by its magnificence as were the Alums on their Homecoming Weekend. Being Sophomores, though, we of course did not show it. 1950 saw a big improvement in the University Symphony. The Radio Society and Studio Theatre were also making noteworthy advancement. Alumni Homecoming was brightened by a cleverly presented Variety Night. Interfraternity Council made two very successful ventures, the Songfest and Club '50. In the literary field the Gatenik reared its scarlet head. The introduction of football floats injected a lively spirit into the campus body that year and Stage Two became a much-trod election platform.

Still newer things demanded our attention in our Junior year. Parents' Weekend was introduced, each faculty doing its utmost towards self advertisement. Intramural sports began to steal the Intervarsity scene multiplying itself some twenty times its numbers five years before, its keenness and enthusiasm bringing the campus more closely together. The Mixed Chorus sang for the Royal Couple; it also made its first and highly successful Northern Tour. It was a shock to realize that the next would be our final year.

We find in Cecil Rhodes' will a section defining the general type of scholarship winner which states that "regards will be had to his exhibition during school days of a moral force of character and of instincts to lead and to take an interest in his schoolmates, for those latter attributes will be likely in after life to guide him to esteem the performance of public duty his highest aim." In reviewing the names of those graduating in '52, one cannot help but be aware that many have filled this fourth requisite. University helps us to do things and to do them well.

In this past year we have seen our first class to graduate in Physical Education; women's Intervarsity honors have soared to a new height; increasing interest has been taken in foreign student assistance programs; Color Night, bigger and better, still the highlight of the year.

In this our final year we are suddenly a little older, a little wiser. This is not the closing of the book, but rather the ending of Chapter One. Our years at University constitute a color which will never be duplicated in the pictures of our lives. Let us utilize the knowledge and experiences of University, ever adding to this color yet never losing its original hue.

ACTIVITIES

HOUSE EC. DISPLAY

Ridelle Court and Marian Tymchyshyan modelling frocks at House Ec. display in Wauneita Lounge.

Classes in Music 41, 45, 51 and Ed. 34 combine their talents in a choral program.

"Swing Your Partner" at weekly square dance in Athabasca Gym.

STUDENT OLD-TIME ORCHESTRA

Front row: Russell Drewniak.

Second row: Henry Golan, Henry Pruss, Jean Zawasky, Eric Whittred, Roman Piwowar.

Third row: Jack McDonald.

June Justin operates a stirrup pump in Civil Defense class.

Miss Holland and members of Ed. 424 exhibit their puppets.

Carol Barnes "returns."

Good try, anyhow!

Art Pageant

The attitude of the modern school towards art education places an emphasis on the development of the individual child's feelings, emotions and creative ability, rather than on the formal, copyist approach. In keeping with this attitude the University of Alberta offers such courses as Education 132, which instructs in techniques for stimulating imagination without enforcing exact formulas, developing manipulative skills, utilize new sensations in creation, all in an informal atmosphere.

The products of the course, the Art pageant and the puppet show for example, illustrate the ease with which history and stories may be more easily studied and also the ingenuity with which ordinary household materials, silver foil, paper towels, cardboard, wire, paint and crayons can be turned into such things as Roman togas, war helmets and sailing ships.

Careful where you put that pin.

The Egyptian procession.

"Triremes of Nineveh and Stately Spanish Galleons."

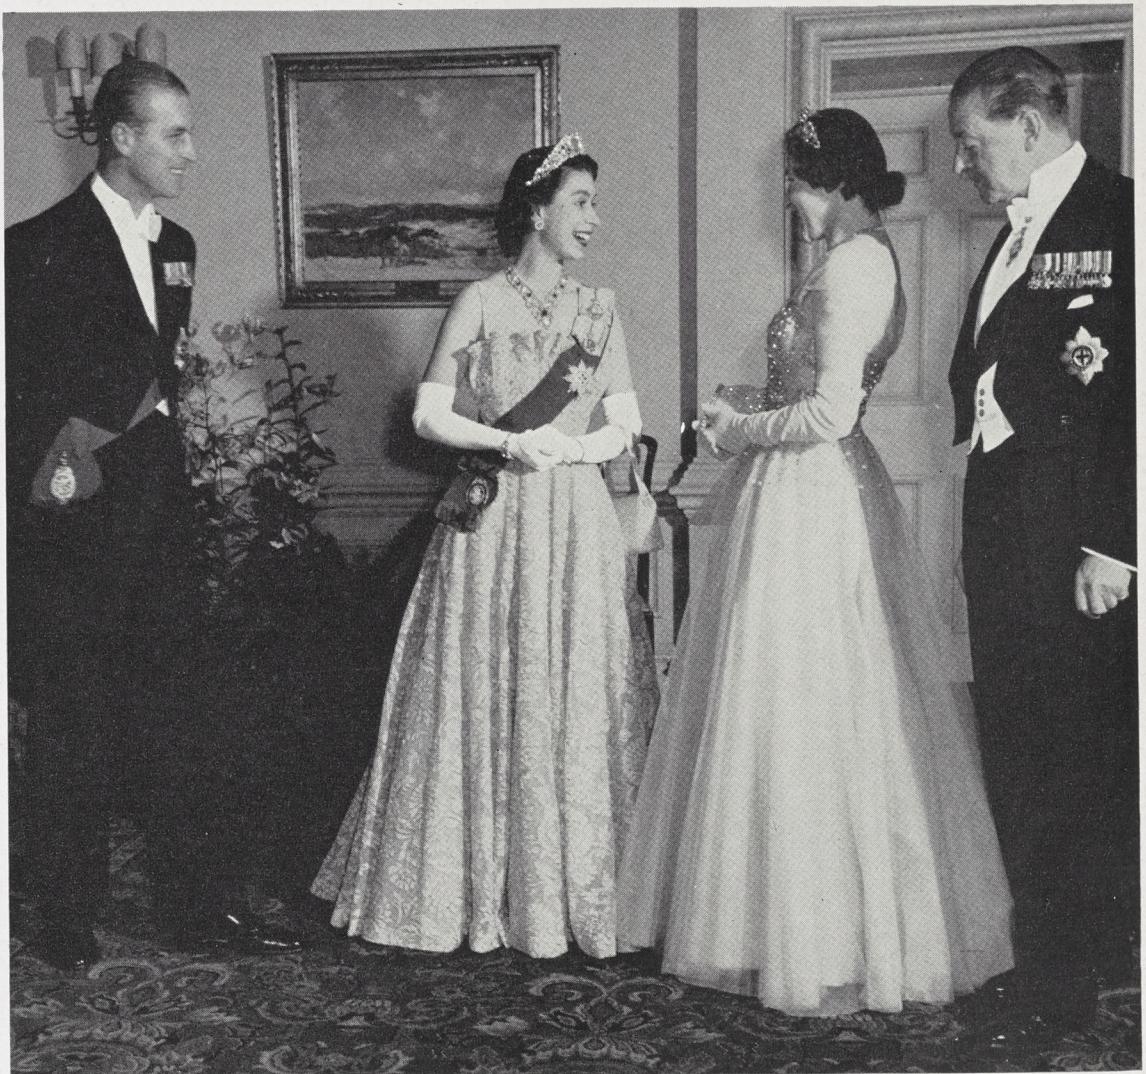

Folded paper angels.

Sawdust and paste puppets act out a scene from Roman history.

The Trojan horse—or what happened to the residence paper towels?

PEGGY GALBRAITH

Assistant CHARLOTTE MUELLER

Clubs

CLUBS

Clubs at the University of Alberta form the back-bone of extra-curricular activities on the campus. (With apologies to athletes).

The Faculty Clubs exist to promote the interest of the members in "curricular activities" by staging regular dances and other social events; the Religious Clubs provide an opportunity for members of the same faith—; and the Cultural Clubs provide cultural stimulus for students interested in Music, Debating, Drama, Government, Radio, Literature, Flying and Poker.

The following clubs are not represented in this section.

ARTS AND SCIENCE CLUB

LATTER DAY SAINTS CLUB

MATH. AND PHYSICS CLUB

STUDENTS' CHRISTIAN MOVEMENT

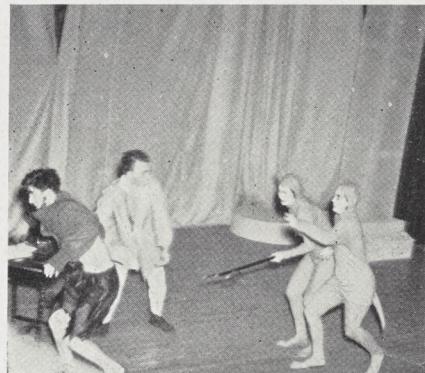

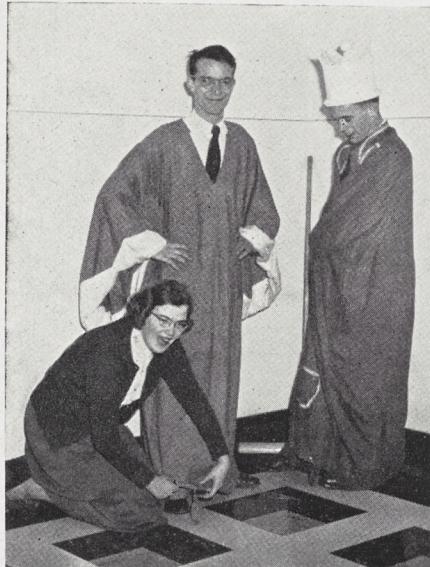

BALLET CLUB

VARSITY CHRISTIAN FELLOWSHIP

INTERNATIONAL RELATIONS CLUB

CANTERBURY CLUB

DRAMA SOCIETY

The major production of the year was Christopher Marlowe's *Doctor Faustus*. It was an ambitious choice and achieved considerable success. A vigorous campaign in Freshman Introduction Week eased the problems of casting a longer play, enabling Alan Hood to direct with as few difficulties as possible. Technicians struggled to turn Con Hall into an Elizabethan theatre and emerged victorious.

Moliere's *Les Precieuses Ridicules* proved very popular as a curtain raiser to *Faustus*.

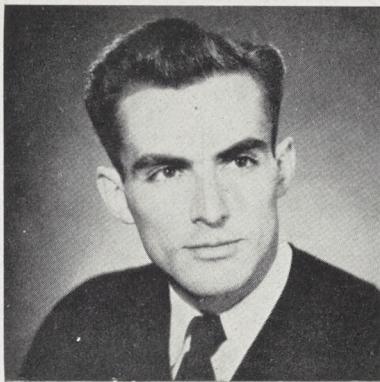

Talks concerning *Faustus* and acting were given throughout the year by university authorities. At one of these a scale model Elizabethan Theatre was presented to the English department by the society.

In the new year the members embarked upon a series of discussions to better acquaint themselves with theories of the stage.

Liason with Studio Theatre was close, with many Drama Society members working on the productions of this group. There is every prospect of even closer co-operation in the future.

MIXED CHORUS

President
KAY GREENE

EXECUTIVE

<i>Honorary President</i>	ALEX G. MARKLE
<i>President</i>	KAY GREENE
<i>Business Manager</i>	QUENTIN MIX
<i>Secretary</i>	MARY CAMPBELL
<i>Advertising Manager</i>	JOHN ELDER
<i>Librarian</i>	JOHN GODEL
<i>Social Convenor</i>	MARILYN HYMAS
<i>Conductor</i>	RICHARD S. EATON
<i>Assistant Conductor</i>	KAY GREENE
<i>Accompanist</i>	DONNA PARKER

Since 1944, when Dr. Gordon Clark first organized the U. of A. Mixed Chorus, this group has been bringing delightful and stimulating choral music to university students and to people all over the province. Their first concert was given in 1945.

In 1953 the Mixed Chorus hit a peak in its achievements. Never before has enthusiasm been so high. Over 250 applied for membership at the beginning of the year. By January the chorus had a well-knit group of 130 tenors, bassos, sopranos, etc., which already could look back on memorable times. (There were seventy members in the first group in 1944).

Christmas day, 1952, the voices of the Mixed Chorus went through the air waves via the Canadian Broadcasting Company into the homes of Canadians in all parts of the country. Their broadcast of Christmas music was specially recorded previously. Compliments were received from Vancouver to Hamilton, Ontario, and even the east coast. The U. of A. Mixed Chorus represented Alberta on the program which was the CBC broadcast of choirs from coast to coast.

Patients at the University and Colonel Mewburn hospitals were cheered by the chorus during the Christmas season, when they were visited with a program of special carol music.

The first week in February the chorus presented three concerts in Convocation Hall, then stampeded to Calgary where they corralled capacity audiences in Knox United Church.

The Calgary series over, the Mixed Chorus began to dream of and prepare for the annual two weeks spring tour in May. With memories of the 1952 Peace River country jaunt fresh in mind, the chorus held secret hopes of a "tour to end all tours," the likes of which had never been undertaken before. When this was written those "secret hopes" could not be revealed. "Things could go wrong," the Evergreen and Gold was informed.

Nevertheless, it is no secret that the Mixed Chorus is taking a place in university cultural life which is enriching, broadening, capturing the imaginations and fulfilling the needs of thousands of students, professors, and Alberta citizens. It is a place of honour and responsibility. It is a place, for the chorus members, of immense enjoyment and satisfaction.

Under conductor R. S. Eaton of Edmonton, the place of the chorus in the life of the university is now as "taken-for-granted" as the Debating Society, the fraternities, the dozens of student and faculty clubs. Why, it is as taken-for-granted now as English 2 for all freshmen in Arts and Science.

POLITICAL SCIENCE CLUB

POLITICAL SCIENCE CLUB

Left to right: Bill Jones, Roy Paul, Bruce Jacquest, President George Porozny, Jacqueline Probe, Russell L. Dzenick, Eugene Kush. Missing: Jack Bowie-Reed, Tom Jackson

After four years absence, Mock Parliament is back on the campus, due to the untiring efforts of enthusiastic members and executive. The Parliamentary forum was given a new lease on life and all indications point to its becoming a permanent feature of campus life.

The newly formed Progressive Conservative Party, the C.C.F. Party, supported by the Social Credit Party, and the Liberal Party were featured respectively at the three evening sessions. All three proved to be successes and of great interest to those present.

The club also brought national figures to speak to the students on the Campus, as well as playing host to international figures such as Mr. Kenneth M. Lindsay, a former British Independent Member of Parliament representing the British Universities.

EXECUTIVE

<i>President</i>	GEORGE J. POROZNY
<i>Vice-President</i>	JACQUELINE PROBE

THEOLOG. CLUB

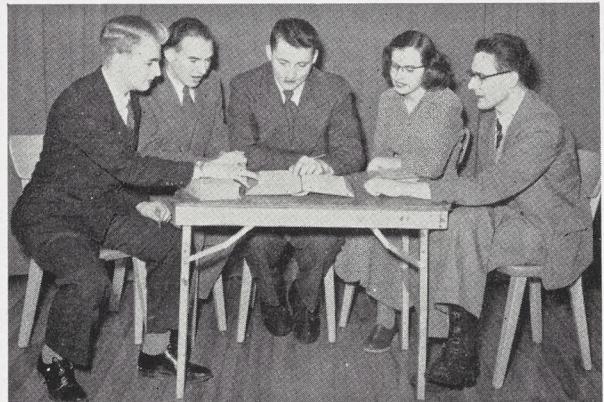

EXECUTIVE

<i>President</i>	TED THOMAS
<i>Secretary</i>	GRACE PULLEYBLANK
<i>Treasurer</i>	TERRY ANDERSEN

The Theolog. Club is an inter-denominational organization of Arts and Theology students training for the Christian ministry.

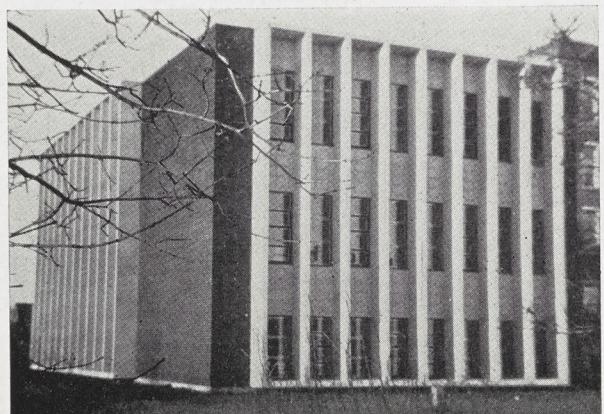

During the 1952-53 term the Club had another successful year. The regular monthly meetings featured a varied program of interest to members and friends. Several social events highlighted the year's activities and these were climaxed by the Annual Banquet at the Corona Hotel.

After some forty years of anticipation the dreams of the Theologs were fulfilled with the official opening of the new St. Stephen's College Building in February. The new addition provides badly needed classrooms, library, transcription room, offices, and last but not least—a fully equipped modern lounge.

THEOLOG. CLUB

The 40-year dream

HILLEL CLUB

Standing: Roy Chernoff, Garry Brody, Sol Berg, Edward Wolfman.
Sitting: Hinda Doz, Rebecca Shtabsky, Claire Helman.

The U. of A. Hillel group has about 70 members who meet weekly to hear lectures by Councillor Rabbi L. Sacks on religious and contemporary problems. Monthly brunches are held when special speakers are present. Heard in the fall of 1952 were Dr. W. H. Johns, Professor G. M. Dunlop, and Dr. Tartokower from the Hebrew University in Jerusalem.

Primary aim of Hillel is the encouragement of social, cultural, and religious activities among Jewish University students.

Hillel chapters meet periodically at different universities for conferences. Manitoba, Saskatchewan, and Alberta in Western Canada have all been centres for such gatherings this past year. Here at U. of A., during the January 30-31 conference, visitors, in addition to being guests at church services, were conducted on a campus tour and entertained at a musical program.

U. of A. executive members are: President, Garry Brody; Vice-president, Sol Berg (both Med. 1 students); Secretary, Claire Helman, Arts 2; and treasurer, Norman Simons, Law 2. All reside in Edmonton.

HOUSE EC. CLUB

This year Joyce McCutcheon, president of the House Ec. Club, guided its seventy members through many varied activities.

The third annual Fashion Show held on November 12th in the Wauneita Lounge of the Students Union Building highlighted fashions for the co-ed.

Bob Inyang, first year Dentist student, was the House Ec. candidate for Mardi Gras King.

January 31st saw the annual House Ec. Formal take place in the Mixed Lounge of the Student Union Building.

A candy sale held February 14th brought to a conclusion a very successful year for the club.

HILLEL CLUB

Over two thousand years ago there lived (in Palestine) a Jew who was the first to formulate definite hermeneutic principles (that is, the science of interpretation, especially of the scriptures). A Jewish teacher who entered Jerusalem originally from Babylonia, he died in the year 9 A.D., after gaining recognition as one of the leading authorities on interpretation of Biblical Law.

Today, Hillel's name lives on in the B'nai Brith-sponsored Jewish University student organization known as the Hillel Foundation. B'nai Brith is a Jewish Fraternal Lodge.

HOUSE EC. CLUB

Standing: Jean Duncan, Patricia Wright, Carol Wensley, Mary Maw, Ann Parney.
Sitting: Rita Mae McGillivray, Margot MacLeod, Joyce McCutcheon, Anne Feyrer, Trudy Harvie.

February! Hard work and last-minute preparation for the annual concert held this year on the 26th.

7:45 p.m.

**MUSICAL CLUB**

Performers at the Sunday concerts in a special thirty-minute program of classical and concert favorites. Producers: Dave Murphy (1952), Jim Ritz (1953). Script: Eugene Brody.

RADIO SOCIETY**RADIO CLUB**

The term 1952-53 witnessed a new type of organization within the club which provided the maximum of experience to the greatest possible number of interested members.

Under the new set-up each producer organized and broadcast a show with a producer at the head. Under this producer the program was planned, the announcer chosen, the talent arranged for, the script written, and the technical work attended to. Broadcasts originated from the University Studios in Hut H and were heard each Thursday evening from 7:45 to midnight over CKUA.

Besides the actual broadcasts lectures were delivered by radio people at the city stations on specific phases of the industry.

Among the members of the club were three announcers from CKUA and two from CFRN who were attending the University. Dave Gell, the club president, was senior announcer of CKUA.

Announcers

Vern Trevoy John Murphy Neil Smith

9:05 p.m.

**SPECIAL EVENTS**

A ten minute allowance for items of special interest, such as interviews with the Mardi Gras kings, news of special campus interest, re-broadcasts of panel discussions, and special talks.

8:15 p.m.

**FRATERNITY SING**

Members of the University's twelve fraternities presenting, in a fifteen-minute program, choral work with brief reports of the fraternities and their service activities. Producer: Merv McCorren. Announcer: George Kidd.

PRESIDENT: DAVE GELL

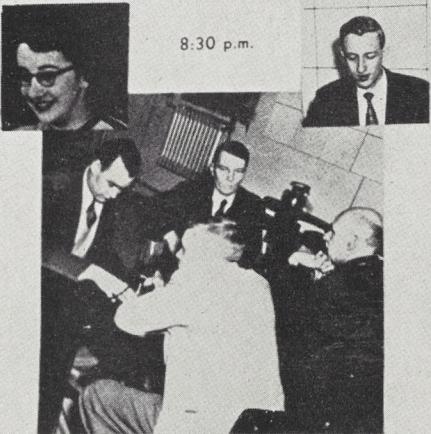

Mr. Gell had the usual functions of the manager of a radio station: integrating the different units of the group. He planned the programs, made appointments, and saw that they were executed. He also gave instructions on radio announcing, operating, writing, and production.

9:15 p.m.

**E.U.S. PROGRAM**

The Education Undergraduate Society presented fifteen minutes of semi-classical music from the musicians within the faculty. Producer: Marj Harper. Announcer: Ron Sheppard.

8:30 p.m.

**CHAMPS OR CHUMPS**

The familiar campus quiz program featuring a team of professors against a team of students in questions covering many topics. Producer: Virginia Musser. Quizmaster: Jim Redmond.

10:30-12:00 p.m.

**ALL THE BEST**

A regular feature of CKUA from ten thirty until midnight, this popular disk jockey program was handled by Jim Redmond and Dave McDonald, both second year law students, and part-time announcers at CKUA.

-9:30 p.m.

**WESTERN UNIVERSITY DRAMA**

The three Western Universities—Manitoba, Saskatchewan, and Alberta—joined a tape network, featuring thirty-minute dramas, recording them on tape, and circulating the tapes. Producer: Lawson Kirster. Director: Frank Glenfield. Dave Gell, announcer.

MACLEOD CLUB

Such pretty wrists!!!

Seventeen years ago, Agnes Macleod founded this "club for nurses" which today bears her name. Miss Macleod was the University of Alberta's first director of the School of Nursing.

Purposes of the club, says the nurses's handbook, are "to encourage all enterprises that tend to make the school progressive; to provide an all-inclusive association through which business pertaining to the students as a group may be transacted; to be the recognized channel of communication between the student body and the School of Nursing Administration."

The "progressive enterprises" aim is achieved in large measure through educational meetings at which guest speakers discuss a wide range of topics. Films are also presented at such meetings.

"Business pertaining to the students" includes welcoming new classes, capping, and graduation ceremonies. Graduation, frosh week, Valentine's Day and other special times are occasions for dances which have been greeted with much acclaim during the past number of years.

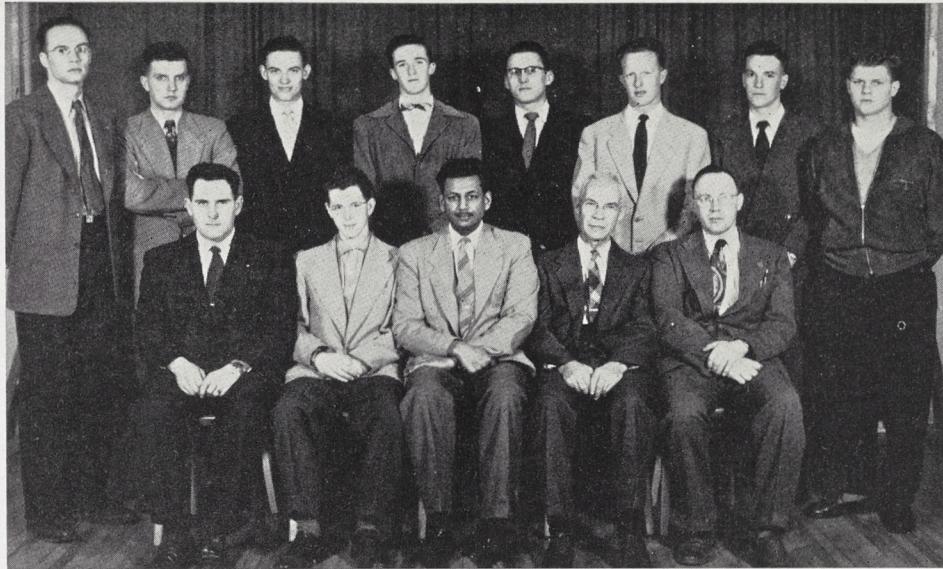

There are over 300 members, the number varying with graduations in August, September, January, and February. Active members are undergraduate students, registered for clinical experience in the hospital. Associate members are those registered in first year of the degree course and post-graduate students.

Members of the club have appeared in Frosh parade, Varsity Variety Show and Med. Show and have taken part in several sports.

Executive members are: President, Barbara Milne, 4th year; vice-president, Marg. Bath, 5th year; treasurer, Harriet Lynn, 4th year; secretary, Mary Gibson, 4th year.

Back row, left to right: Joan Harvey, Berta Gordon, Mary Mulloy, Lois McDermott, Ruby Ellingson, Margaret Tomasky, Dolores Simpson.
Middle row, left to right: Beth Gilmour, Mary Gibson, Barbara Milne, Elspeth Loggie, Pat Pennell.
Front row, left to right: Dorothy Lee, Edith Hallett, Harriet Lynn, Marion Henry.

E S S

Standing: Doug Lawrie, Peter Nettleton, Roy Fisher, Frank Patton, George Zahary, Bill Musgrove, Owen Wright, Trevor Fregren.

Sitting: Dale Simmons, Bill Weir, Majib Ibrahim (President), Dr. K. Clark, Ken McMillan.

The Engineers' Ball, reputed as THE best social event of the year, and featuring five of the loveliest lasses for the Queen of the Engineers, highlighted the year for the slide-rule pushers. The candidates selected by the various departments were:

Dawn Code.....	CIVILS
Doris Livingstone.....	ELECTRO-CHEMICALS
Marilyn Grevett.....	PETROLEUM
Dorothy Ranche.....	SECOND YEAR
Maxine Leitch.....	FIRST YEAR

The winning candidate was Marilyn Grevett.

In addition to the Ball the Engineers were spotlighted in other fields as well. In the annual football parade the Engineers' float took first prize, and claim was laid to the soccer trophy. (Once again they were the only group to enter a team). Engineers also fielded teams in basketball, table tennis, hockey and volleyball.

Climaxing the year's activities was the annual banquet.

Mardi Gras Kings Kidnapped

Crunch!

Standing: Ed John, John Elder, Herb Johnson, Al Fowler, Hugh Levy.

Sitting: Bob Edgar, Audrey Paulence, B. J. Bowman, Borys Ferbey.

PHARMACY CLUB

EXECUTIVE

<i>President</i>	BORYS FERBY

<i>Publicity</i>	JOHN ELDER
<i>Social Convenor</i>	B. J. BOWMAN
<i>Sports</i>	ED JOHN
<i>Class Representatives</i>	HERB JOHNSON 1ST YEAR AL FOWLER 2ND YEAR HUGH LEVY 3RD YEAR

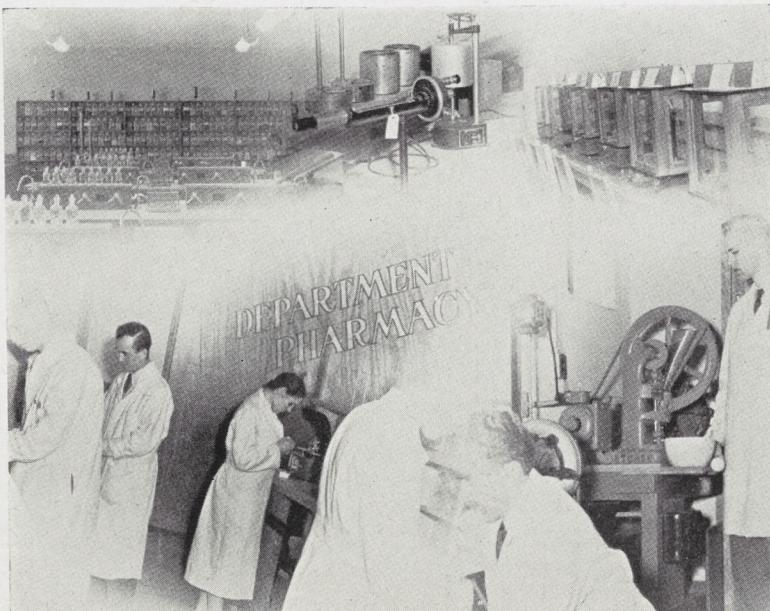

PHARMACY CLUB

The Pharmacy Club has completed another very successful year, with no single function losing more money than the club owned. Under the guidance of President Borys Ferbey, the club got into high gear early in the first term when a series of films portraying various phases of Pharmacy was shown. Meetings, parties and an ignoble attempt at basketball supremacy by a Pharmacy Basketball Team were the rest of the activities until Christmas.

With the New Year the powerful Pharm-Dent "A" Hockey Team put in an appearance accompanied by its not-so-powerful companion Pharm-Dent "B" Team. "A" Team appeared to be cut out for glory and ended the season with no mean number of victories to its credit, while "B" Team had a good time but did not fare so well in the final standings.

On Saturday, March 7th, the annual Pharmacy Ball was held in the new ballroom of the Macdonald Hotel. Over 200 were in attendance, made up of students, members of the faculty and a number of guests invited by the students.

Following the Ball, activities dwindled to a bare minimum as final exams were rearing their ugly heads.

EXECUTIVE

Standing: Harry Donaldson, Kazie Siluch, Ian Ferguson, Fred Marshall, Larry Fish.

Sitting: Ron Young, President Ralph Hay, Saul Hoffman.

Medical Undergraduate Society

Medical students receive information and guidance "straight from the shoulder" from their teachers in the medical faculty and medical profession. Particularly in the Medical Undergraduate Society, that 230-odd member group on the campus whose fame is renewed each year through the annual "Med Ball" and "Med Show" is this true. For example, at one of the general meetings held this year by the society, undergrads were told by Dr. M. A. Young of the Lamont Clinic, Alberta, that quite a change was now evident in the position of small-town physicians in their communities.

Said Dr. Young: "In my day, there were three people of greatest importance in the community—the doctor, the minister, and the teacher. Today the doctor is tending to lose that position. Why? Because too many family physicians are now, on the whole, less interested in taking their rightful place in community affairs and activities."

Aspects of drug addiction was a topic dealt with by a member of the U. of A. faculty and a representative of the R.C.M.P. at another of these general meetings.

Social functions carried out by the society were: The Fall Dance at the Trocadero, in co-operation with the Dental Undergraduate Society; the annual banquet and ball in the new ballroom of the Macdonald Hotel; the Med. Show staged under the direction of "Chuck" Hamilton, Med. 4.

This year, a committee under R. H. Dougall was set up to create liaison between the faculty and the medical student-body. Curriculum change is one problem under discussion. However, the committee really showed its mettle when it came up against the proposed ruling by the board of governors that would have kept graduates in Alberta for their internship. When the medical student-body heard of it, they called their special committee into action. The committee got together with "higher authorities" and finally had a conference with representatives of the Alberta Medical Association. The result: No rule affecting internship was even proposed. Aim of the rule would have been to keep graduates in Alberta where they received their training. However, medical students from other provinces and those who planned to intern in hospitals in other parts of Canada or the U.S. would have had to give up such plans had the rule become "law."

The M.U.S. was formed 35 years ago by one of its earliest benefactors, Dr. J. J. Orr. At that time it was known as the Med. Club.

M.U.S. executive members are: president, Ralph Hay, Med 4; vice-president, Ron Young, Med. 3; secretary, Saul Hoffman, Med. 2; treasurer, Larry Fish, Med. 3; and council representative, Fred Marshall, Med. 3.

Left to right: Reg Lister, Ron and Mrs. Young, Ralph and Mrs. Hay, Mrs. Shandro, Dr. W. Shandro, Alice Tree, Kazie Siluch, Jeanette Morrison, Larry Fish, Clark and Mrs. Leavitt.

Infancy to Adulthood
The Fall Ball

COMMERCE CLUB

Social, academic, and athletic cohesion within the school of Commerce was a 1952-53 aim of the Commerce Club.

Socially, the aim was achieved through the well-established Bankers' Ball. In addition, Commerce staff and students met at the congenial periodic smokers.

Academically, the third and second year students took over the "extra-curricular coaching" of the Freshmen as the Buddy System went through its second trial term.

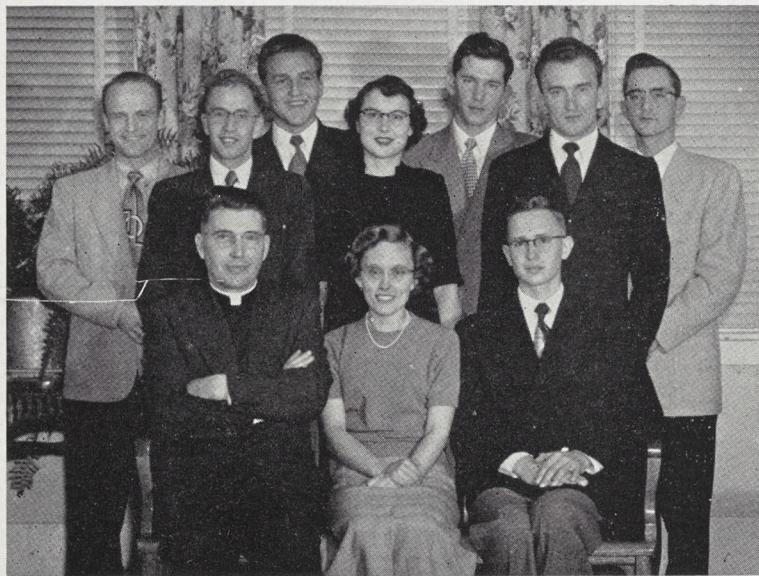

Athletically, the Commerce Club iced another strong hockey team, whose job it was to defend the Interfaculty Hockey Trophy won last year.

Standing: Dan Bogda, Sandy Hogan, Anne Murray, Bill Stephens, Dave Hilton.

Seated: Bruce Jacquest, Betty Buchanan, Geoff. Mortimer, Olga Rogers, Mike MacGillivray.

ILARION CLUB

Standing: G. Seniw, B. Bezborodka, H. Mosychuk, C. Worobetz, M. J. Seneshen, B. Chrusch, E. Wasyluk.

Sitting: Rev. Wm. Seneshen, L. Wynnychuk, W. Komhyr.

Ilarion's essential function is the furtherance of spiritual and religious guidance of Orthodox students on the campus. Although working with a small membership in its first year, the club was actively engaged in fulfilling its aim.

Lectures were given on topics, such as history, symbolism and eastern rite.

Among the most popular activities were bi-weekly vesper services and discussions that followed. General meetings were held once every first Sunday of the month. Among those that addressed these meetings were Dr. O. Starchuk, P. J. Lazarowich, Q.C., Rev. A. Chrustawka, and Rev. W. M. Seneshen. Social gatherings were included in the program of activities.

With a successful beginning behind us and with experience gained, we are looking forward to Ilarion's continued success.

Lutheran Students' Association

L.S.A. in action

Essentially a study group to strengthen and sustain Christian students in their faith and promote regular church attendance, the Lutheran Student Association operates under a five-point program. Study is divided into three weekly groups; discussion, Bible and doctrinal. Personal contact fulfills the evangelistic purpose of the group.

WORSHIP
STUDY
EVANGELISM
SERVICE
RECREATION

The L.S.A. conducts church services at different churches and Chapel services at St. Stephen's College bi-monthly. Guest speakers are invited to address the open house meetings held in the Wauneita Lounge.

Recreation began in the fall with a brisk hike followed by a corn and weiner roast. Organized skating and tobogganning parties highlighted the winter months. With the graduation banquet and official installation of the new officers, activities were brought to an end.

MUSICAL CLUB

Standing: Dave Gell, Ray Anderson, Ron Dougan, Alan Bell.

Sitting: Elsie Konkin, Margaret Ann Brine, Rosemary Holsworth.

EXECUTIVE

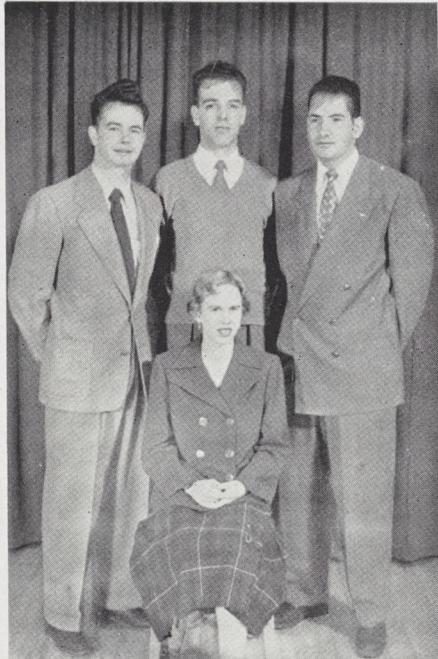

Honorary President.....	MISS MAMIE SIMPSON
President.....	RAY ANDERSON
Vice-President.....	MARGARET ANN BRINE
Secretary.....	ELSIE KONKIN
Treasurer.....	GEORGE ASMANN
Executive Members.....	ROSEMARY HOLSWORTH ALAN BELL, RON DOUGAN, DAVE GELL.

The Musical Club presented seven very successful concerts this year. Various University artists have appeared in concerts at the Sunday afternoon musicales. The objectives; to provide an opportunity for talented University students to play before an audience and to give interested people an opportunity to hear good music Sunday afternoons. The schedule has been rigidly maintained and a high calibre set in performance.

Perhaps the most outstanding concert was the Christmas program held in Convocation Hall on December 16th. Professor R. S. Eaton conducted the Mixed Chorus, the Music 41 Lab. chorus and the University singers; Mr. A. Crighton conducted the University Symphony, and Professor L. H. Nichols was at the console of the University organ. There was an attendance of 825.

A new project has been undertaken this year—that of providing Sunday afternoon musicales for various groups who ordinarily have not the opportunity of hearing talented performers. A concert was presented for the Physically Handicapped Association on November 17th and a concert was held in February for the Canadian National Institute of the Blind.

Varsity Flying Club

Standing: Dave Campbell, Jim Mutch,
Dave Friedman.

Sitting: Jo Shepard.

Members prepare to go aloft

EXECUTIVE

<i>President</i>	DAVE FRIEDMAN
<i>Vice-President</i>	JIM MUTCH
<i>Secretary Treasurer</i>	JO SHEPARD
<i>Executive Members</i>	BARBARA TOWNSEND, DAVE CAMPBELL

The University Flying Club was formed in 1947 to promote interest in flying and to aid university students to obtain flying licences.

Planes of the Edmonton Flying Club were used for flying training, and several of the meetings were held in the Flying Club Lounge.

During the term films were shown at regular meetings and several "flying breakfasts" were held at the Edmonton Flying Club. Members had breakfast in the club snack bar and went for rides over the city.

LAW CLUB

With a membership of almost one hundred, the Law Club enjoyed a successful year in academic, social and athletic circles.

Under the capable leadership of dynamic president Ammon Ackroyd, the year began with the annual introductory smoker. The smoker was followed later by a semi-formal dance at the Trocadero. Other social keynotes were the Law Club Banquet and the Law Ball.

Earl Lomas, director of the athletic program, guided the sport-minded members in a well rounded program which ran the gamut of winter, spring and fall activities.

Academically speaking, a variety of noted guest speakers addressed the members on pertinent topics. Mr. Wharton of Wharton Law Lexicon and George Steer, Q.C., Edmonton were among the most noteworthy to speak.

Standing: Earl Lomas, Sports Director; George Lynch-Staunton, Treasurer; Doug Sherbaniuk, Social Chairman.

Sitting: Andy Andrekson, Secretary; Ammon Ackroyd, President; Bob Dinkel, Vice President and Law Rep.

DEBATING SOCIETY

BE IT RESOLVED THAT:

WHEREAS the above smiling group is the executive of the U. of A. Debating Society;

AND WHEREAS the U.A.D.S. has as its aim in the university to aid students in the preparation for participation in public life through practice in debating;

AND WHEREAS its further aim is to develop in individuals quick-thinking and immediate response to verbally-hurled rhetoric, repartee and epithet when facing an audience in vertical-ventral position;

AND WHEREAS the U.A.D.S. is also interested in aiding individuals in overcoming excessive retrogressive personality reactions in the presence of a heterogeneous assemblage of fellow mortals;

AND WHEREAS the various functional devices through which these diverse aims are achieved are: one—the Hugill Cup debate series of two-member teams; two—the Debating Union which debates issues controversial in character, and if interest to the general staff and student body of the University; three—the inter-varsity debating league which contests annually for the McGoun Cup, symbolizing debating superiority in Western Canada of the winning team;

THEREFORE, BE IT RESOLVED that the U.A.D.S. is a student organization contributing much to university life and is a major tool in broadening the academic backgrounds of its members—moulding tomorrow's leaders today.

Standing: Sandy Heard, Bill Winspear.
Sitting: Joe Brumlik, Jim Redmond.

OUTDOOR CLUB

EXECUTIVE

<i>President</i>	TED GILES
<i>Vice-President</i>	RODNEY HARLE
<i>Secretary Treasurer</i>	EVA MOREAU
<i>Social Convenors</i>	JINNY MUSSLER, NORM WILLUMSEN
<i>Cabin Steward</i>	JACK WHITWORTH

The Outdoor Club's Sunday afternoon tradition of student work parties was carried on this year, but with added incentive. Construction of a fireplace to cut through the south wall of the cabin was begun. Sunday evening get-togethers provided the members relaxation after their work.

Winter Week End, scheduled in mid-January, climaxed the year's activities. Cabin parties, sleigh rides, "sing-songs," tobogganing, weiner roasts, and skiing insured the continued popularity of this organization.

Whittling a few pieces on the old wood pile

We'll be skiing here this winter

AGRICULTURE CLUB

Left to right: Bill Baranyk, Don Davis, Stu Church, Dave McMullen, Dorothy Lawton, Jim Lore, Eric Horton, Gabe Boulet, Don Buyer,

EXECUTIVE

<i>Honorary President</i>	DR. J. A. TOOGOOD
<i>President</i>	BILL BARANYK
<i>Vice-President</i>	DOROTHY LAWTON
<i>Secretary Treasurer</i>	STU CHURCH

The Ag. Mixer was the starting gun for another busy term for the Aggies. New members met their pros and fellow undergrads and learned something about the Agriculture Club. Due to a membership lower than in previous post-war years, the individual member was faced with more responsibility.

The Informal Dance, the Ag. Smoker, Banquet and Formal added to the Aggies' social life, while basketball and hockey were their favorite sports. Regular meetings were held to discuss club policies and plan future activities.

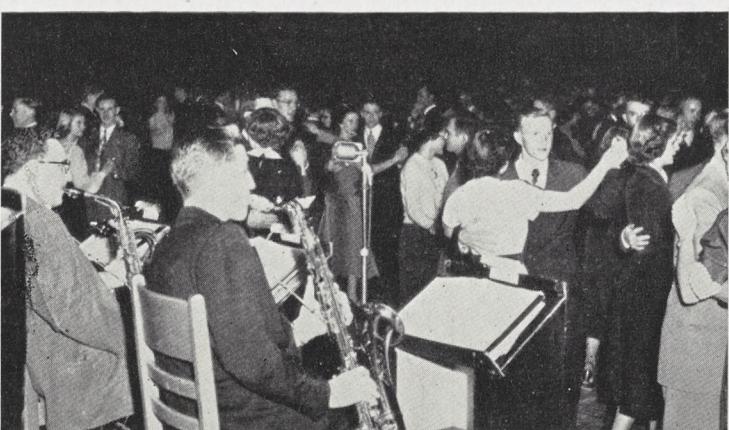

The Agriculture Club "Visitors Day" of recent years has been a feature of Varsity Guest Week End. This very effectively presents our University to a large number of people. The Aggies have played an active part and contributed in no small measure to the success of Varsity Guest Week End.

In every event the Ag. Club fulfills a useful purpose. It supplements the academic life of its members with opportunities to conduct social events and matters of business, thus enabling its members to fit themselves more fully for their place in society.

Western music, cowboys and girls clad in brightly colored plaids; the gay colorful West in its bright regalia is seen at the Varsity Gym. A joyful mood prevails . . . With the last bars of a lively Western tune the colorful decorations come down as hundreds reach for mementos of a gay and memorable time. The Bar-None has come to an end, a finale to another successful and active year for the Aggies . . . "So long Pardner . . . Happy Trails."

Christmas Party

During the term 1952-53 the one hundred and fifty Catholic members participated in many activities achieving the spiritual, educational and social aims of the club. Major events were the annual Retreat, Communion Breakfasts, Hallowe'en, Christmas, and Valentine parties. Guest speakers were present on several occasions. Again this year the club sponsored an active bowling league.

Two members, Gloria Komarnisky and Margaret Chevraux, attended the Canadian Federation of Newman Clubs Convention in Ottawa. At this Convention two Alberta members, Winnifred McIntyre and Francis O'Dwyer were elected to the John Henry Newman Honorary Society. This is the highest national award possible in Newmanism. We are pleased to have Gloria Komarnisky as Western-Regional Vice-President of the Federation.

Education Undergraduate Society

EXECUTIVE

President.....	JEAN GRUSZ
Secretary.....	THELMA SHAW
Treasurer.....	JACK WYNN
Publicity.....	GILBERT BRINSMEAD

Standing: Jack Wynn, Earl Guertin, Mr. J. A. Forbes, Gilbert Brinsmead, George Asmann, James Parker.

Sitting: Clarice Melsness, Clara Angeltvedt, Jean Grusz, President; Thelma Shaw, Olga (Rusty) Doskoch.

One of the most active groups on the campus, the Education Undergraduate Society, completed a very ambitious year to add to its record of shining successes. The membership of four hundred provided the material from which the talent and ingenuity which produced the major campus events was derived.

Pogo provided the theme for the E.U.S. Mixer which marked the opening of the group's activities. The dance was well attended and the Pogo theme was vigorously carried throughout.

"Here's mud in your eye" or
"Kiss me, Nothing makes me sick."

Cabriola, feature presentation of the year, carried a South American theme. The floor show depicted South America as it has descended through the ages. Beginning with a weird fantasy of the Virgin of the Sun God and the various steps leading to the modern day interpretations, the cast presented an entirely different type of entertainment. The artistic and creative designing of the set, costumes, and back-drop which added magnificently to the chorus work were the contributions of J. A. Forbes. The traditional faculty retreat was labelled the "Plaza" and was decorated like a sidewalk cafe.

The faculty members presented their annual children's fantasy for their hard working students in December. This year Peter and the Wolf gave the student body a chance to see their faculty in action and in turn gave the faculty members a chance to show the student body that they could still trip the light fantastic.

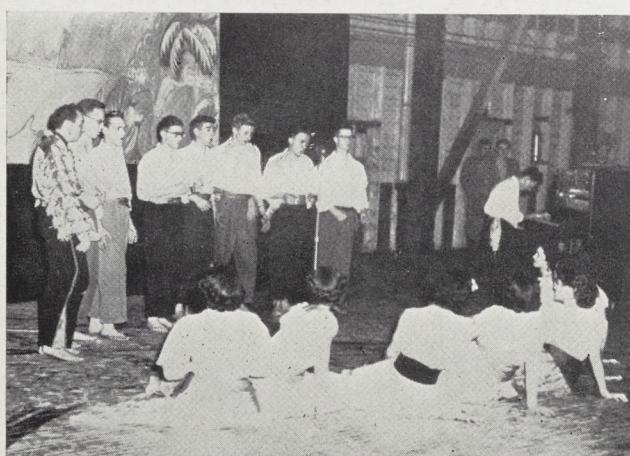

The E.U.S. had the privilege of holding the first banquet in the new wing of the Macdonald Hotel. Guest speaker at the affair was ex-chancellor of the University, G. F. McNally.

Student-Faculty nights which bring faculty and students together in a combined business and social atmosphere proved worthy of the effort put forth by the Student-Faculty Relations Committee.

Jeanie Grusz and Clara Angeltvedt represented the University at the Calgary Teachers Conference. The conference dealt with professional spirit, service training of teachers and improvements for student teachers.

The athletic exchange week ends with the Calgary Branch commenced in January when the Calgary basketball teams played the locals in Edmonton. The Edmonton teams returned the visit in February.

Energetic students participated throughout the year in a heavy sports program covering most of the indoor activities and a major part of the outdoor events.

Biai (Fractured, captured, enraptured).

He went that-a-way.

Ag Trophy Won By Engineers; Beer Mug Feature Of Float

With a beer stein big enough to satisfy the tastes of any man, the engineers recovered the Ag Trophy for the outstanding entry in the annual Varsity Night Parade.

Saturday afternoon, the old ghost of the Arts and Science club made an effort to abscond with the froth from the engineers' stein, but by the time the parade started everything was in its proper place in the mug.

The half-mile long parade moved through Edmonton with little difficulty. Leaving the campus at 7:30, it took three-quarters of an hour to reach Clarke Stadium.

There were about a thousand varsity students in Clarke Stadium. It was a great night and they saw a great game. President Andrew "The Toe" Stewart showed a definite lack of condition as he scratched on his first attempt to kick-off. On the re-run he lifted the ball for about twenty-five yards.

The parade at half-time was led by the aggies with a horn of plenty and a grist mill. The dent men had the biggest laugh in the parade with their giant set of molars. The huge chops were being worked over with a jack-hammer and a floor mop. Both the Pan-Hellenic-IFC and the medics turned to the Greek classics for their ideas.

The medics displayed Hippocrates receiving his Doctor's Oath from Apollo. The Pan-Hellenic-IFC float pictured Athena handing down her wisdom to two Greek students.

The winning float was powered by four tractors, with horses heads fastened on them and driven like a real team of four. Underneath the mug on each corner of the float was a girl throwing out candy kisses. At the top of the mug was a cluster of balloons and a blonde. Spotlights were trained on the important features of the float, like the engineers' crest.

After half-time it took about five minutes for the Edmonton's small fry to demolish the floats. At last report, the Macleod club was still searching for one nurse now holding an honorary membership in the Knot-Hole Gang.

INDIAN HANDICRAFT EXHIBIT

W.U.S. was the sponsor of the Indian Handicraft exhibition and sale held in Convocation Hall last March 3, 4 and 5. The exhibit, officially opened by Mayor Hawrelak, was a part of a Canada-wide tour of the universities.

Proceeds from the sale and exhibit are going initially towards sending forty Canadian students and professors to a seminar in India this summer. The Canadian delegation to the seminar will travel and study in Asia for two or three months.

Items of interest in the exhibit included two caskets of carved sandalwood and wrought silver and gold. In addition, many other collector's items were shown, some of them having an estimated value of over \$15,000.00.

Through the World University Service (W.U.S.) several universities in southeast Asia have been provided with textbooks, equipment, medical supplies and scholarships. Muriel Gentleman, chairman, and Laura Lancaster, secretary, (both second year Education students) have been two of W.U.S. most devoted workers this term.

Toast To The University

Proposed by Syd. Bercov

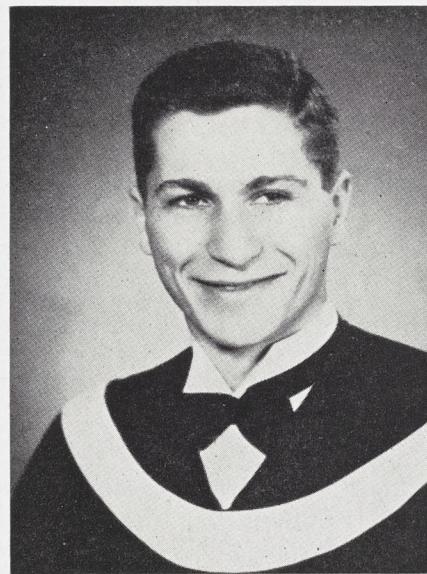

COMMERCE CLUB GRADUATION BANQUET AND DANCE

I like to think of the university as a large book, a book entitled knowledge and written primarily by our staff of professors and lecturers, but also by our fellow students. The knowledge offered to us in this book is on three levels and can be thought of as contained in three chapters.

The first of these is the search for academic truth in the arts and sciences. This knowledge besides being intrinsically interesting to the curious mind forms the foundation for our material success and happiness in the future.

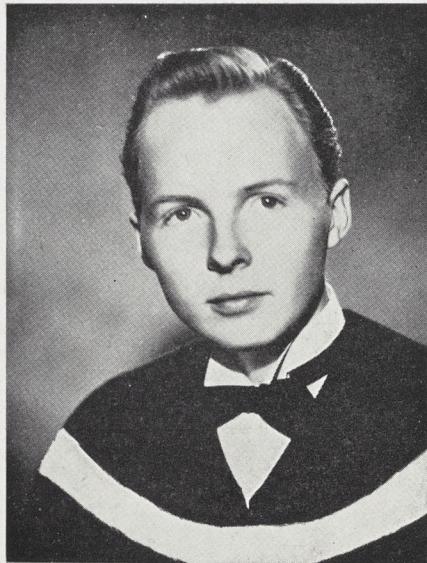

The second level or chapter is one of physical development and culture. The athletic program offered to the student on both the intervarsity and the intramural levels is not only a builder of strong healthy bodies, but also a builder of a strong healthy attitude of sportsmanship.

I feel that these two chapters have been well read and fully digested by most of us students here at the university, but the third chapter is one that I think is very much underrated, a chapter that is well written, contains a wealth of knowledge, but unfortunately is read only in parts and rather superficially. This chapter is one I choose to call the social life of the student. It is here that the university offers a medium whereby students of like ideals and ambitions might meet with one another and strengthen their beliefs. But more important than this it is a medium which brings together, on an intellectual plain, students of differing ideals and ambitions which is a major step in fostering an understanding, a respect, and an attitude of tolerance to peoples of different color, different religion, and different ways of thinking. It is in this chapter that we learn what is to become the foundation for our spiritual success and happiness in our dealings with men of all walks of life in our respective futures.

SYD. BERCOV

It is because we have all been given the opportunity to read this book and benefit from it that I know we feel it is a privilege and an honor to stand and raise our glasses at this time to toast the University of Alberta.

DAVE McDONALD

RHODES SCHOLAR

University of Alberta Rhodes Scholar this year is Dave McDonald. The scholarship, valued at \$1,500.00, will allow Dave to continue his law studies at Oxford for a period of two to three years.

While maintaining a 75% average in his combined Arts and Law course, Dave has found time for many campus activities. Among these are N.F.C.U.S. representative of Students' Council, President of the I.S.S., President of the Debating Society, Member of the McGoun cup Intervarsity debating team and President of the History Club. During the summer of 1950, he was delegate to the I.S.S. Seminar held in Pointigny, France.

Dave is a worthy representative of our University and the students wish many more scholastic successes.

Student Exchange With Russia

IN MEMORIUM

In fond and loving memory of Responsible Government on the University of Alberta campus, which, after a long and trying illness, passed away on the evening of Friday, Jan. 9, 1952. Death was due partly to a lack of interest on the part of students, but also may be largely attributed to the lack of opposition to conservatism which is characteristic of the student's council. Although efforts had been made to prevent the death of the deceased, particularly by a group of 40 students, the shock of the council's decision was too great.

Council as its regular Tuesday meeting had voted directly contrary to the wishes of the Student Body at the U. of A., as expressed particularly in a meeting called to determine public opinion, and also in several letters to the *Gateway* editor, Basis for council's decision was the opinion that the forty students who favored the McGill proposal did not represent student opinion, but that the fifteen odd members of the council did. The council disregarded the fact that no noticeable opposition was expressed at the meeting on Monday, Dec. 1, even though the meeting was well advertised, so that both sides might be heard.

A group of students, however, has stated that it will by no means permit this issue to be forgotten now. Council is obviously unrepresentative of anything beyond this small, unimportant section of the universe, but an attempt will be made to show that student opinion is opposed to such "head-in-the-sand" attitudes.

IMMEDIATELY FOLLOWING THE CHRISTMAS HOLIDAYS A PETITION WILL BE CIRCULATED ON THIS CAMPUS INSISTING THAT ACTION BE TAKEN.

Student's Council must be made to call a Student's Union meeting to direct them either to change their position or to resign office.

Forces which are opposed to an attempt at harmony in the world are obviously seeking to force action directly as far as the U. of A. as the majority on this campus, just as this will be the majority at the N.F.C.U.S. conference was suppressed. Is it not true that we showed that we are university students, not victims of push-button courses and a useless social whirl?

Think about these things over the holidays; we are convinced that if you consider them honestly you will of necessity sign the petition which will be circulated at the first of the new year.

- Anti Status Quo League

Freshmen were just settling down for a long winter's nap last November when a minor bombshell burst among them—STUDENT EXCHANGE WITH RUSSIA. They started; then they awaited developments, along with older, more experienced, students who had lived through other yearly outbursts. Here were some of the facts:

N.F.C.U.S. had turned down a student-exchange proposal between the two countries in October rather than allow secession of two member universities which threatened to leave the federation if the proposal was adopted.

McGill students then formulated an alternate, independent plan and sought support from 10 universities to go ahead outside of N.F.C.U.S.

Committees on many campuses across Canada were sparked into existence. Here, The Anti-Status Quo League, led by a number of interested students, fanned interest in the issue into a signed petition against Students' Council which had voted non-support of McGill.

The petition resulted in a union meeting which led to a general referendum in which students were asked to vote in favor of: An exchange plan, with Russian students coming to Canada to study, and the reverse for Canadian students. Or, a cultural tour on the part of students from both countries. Or, neither. Various methods of financing were proposed.

The final results were:

In favor of Russian-Canadian student exchange 380, 350 voted for neither. (On the first count, 180 favoured a tour).

By 208-179, students voted to give N.F.C.U.S. another opportunity to handle the project. About 25% of the nearly 3,000 students voted, that is, 756.

N.F.C.U.S. was informed of the results and the local N.F.C.U.S. representative will now take the U. of A.'s stand before the federation in the fall of 1953.

The Endicott Affair

THE ENDICOTT AFFAIR - A MISNOMER

The purpose of this letter is to put forth the plain facts as to freedom of speech at the University of Alberta, thereby correcting persistent misrepresentations presented by an Edmonton "newspaper".

The student's cause as presented in their petition is based on the following facts:

1. The Political Science Club, a recognized club of the University, invited Dr. Endicott to speak in order to challenge his views. Faculty members were approached and they advised the students to consult the Provost. This was done. The Provost suggested that, as a matter of courtesy, the President of the University be consulted. Although there is in the Students' Union Constitution a clause stating that the President must approve all Campus speakers, the practice has never before been followed, not even when the same speaker spoke two years ago.

2. The Political Science Club neglected to consult the President. Signs which had been posted advertising the meeting were ordered by the President to be taken down, and this was done. The President at this time made no mention of cancelling the meeting, and although the general opinion was that the meeting was still to be held, certain sources close to the President stated it had been cancelled.

3. At this point the Executive Committee of the Board of Governors, consisting of the Deputy Minister of Education, the President of the University, the Deputy Provincial Treasurer, and the Chairman of the Provincial Workmen's Compensation Board, met on Monday, February 16th and issued the following decision:

"The President of the University is opposed to extending an invitation to Mr. James Endicott to speak on the campus of the University of Alberta.

The Political Science Club were advised by the Provost that they should consult the President's office before inviting Mr. Endicott to speak. The Political Science Club did not do so. Mr. Endicott was invited and a meeting announced without the President being consulted.

The President is instructing the Political Science Club to cancel the meeting at which Mr. Endicott was to speak. In this action the President has the support of the Executive Committee of the Board of Governors."

4. As a result of this decision the Law Club, being concerned with the denial of Freedom of Speech, passed the following resolution which was presented to the President of the University by the Law Club Executive: Resolved that "Any person, invited at the instance of an authorized Students' Union Club, be allowed to speak on the Campus."

5. The President informed the Law Club Executive that in future cases also, the Administration would, in what it deemed a proper case, ban other speakers from speaking on the Campus.

6. Because of this statement a students' petition was circulated causing an open meeting of the Students' Union to be held. This petition made no reference to Dr. Endicott and especially none to Communism except to condemn it, but merely objected to the arbitrary policy of the Executive Committee of the Board of Governors, which in effect denied free speech. This petition was adopted in resolution form and has been submitted to the President of the University by the Students' Council.

7. The resentment against the Administration's policy was so strong that a Faculty petition was also circulated amongst the University teaching staff. After a number of signatures had been obtained a sudden fear gripped some of the Faculty as a result of a rumor, extensibly from a reliable source, to the effect that drastic steps would be taken against any staff member signing the petition. These anonymous threats were so intimidating as to cause the withdrawal of some of the signatures. Be it true or false this rumor has caused much apprehension amongst the staff, and is not to be lightly discarded.

This decision is arbitrary, high-handed and a threat to the very principles on which our democratic freedom depends.

LET TRUTH AND FALSEHOOD GRAPPLE IN A FREE AND OPEN ENCOUNTER. . . . John Milton.

SPONSORED BY THE THIRD YEAR LAW CLASS OF THE UNIVERSITY OF ALBERTA

The president then issued a statement that if such a rumor was being circulated, it was false, and that the university administration was planning no action against any faculty petitioners.

At the same time, Endicott met with about 20 students, including members of the *Gateway* and *Evergreen* and *Gold* staffs, at the home of one of the university faculty members. There Endicott outlined his stand for "peace now in Korea" through a "cease-fire."

A lively "question-and-answer" period followed his talk.

At the instigation of the C.R.G., a general students meeting was held attended by under 300. It supported by an overwhelming majority a resolution condemning the president's action in banning Endicott. Further, it asked for a reversal of the apparent policy taken on Endicott, with a clarification of that policy to the student body in relation to individuals invited by student organizations to speak here in future.

Finally Students' Council presented the C.R.G. resolution to the administration at a special meeting of members called by President Stewart. The administration answered with a letter to Students' Union members. The letter was very difficult to interpret and consequently Students' Council was able to do nothing further.

Meanwhile, a number of faculty members were reported petitioning for a reversal of the president's stand. Then, suddenly, they abandoned the move. Thereupon, the third year law class charged that the reason for their doing so was because it had been rumored that the faculty members signing the petition would be on the receiving end of "drastic steps."

Rae Milligan

Rae Milligan, Jasper, youngest member of the Alberta Ladies Golf team, which represented the province in the 1951 Dominion finals at Laval Sur Le Lac, Quebec, is one of the outstanding sport figures presently enrolled at the U. of A. Under the expert eye of her father, the golf pro. at Minaki, Ontario, during the summer, Rae began the sport at an early age. She shoots in the low eighties and high seventies with a handicap of four.

Rae is also featured in badminton circles, capturing the Junior and sharing the Mixed Doubles Championships for the province last year. She was, also, a member of the U. of A. Intercollegiate Badminton champions.

Following her athletic interests she is taking her degree in Physical Education. Continuing her golf, she will be playing, this summer, in the East around Toronto with an eye to the Canadian closed and open play-downs.

Rae's fellow students wish her continued success in athletic endeavours.

Gordie Morrison

An engineer who measures the slope by the speed of the slalom, Gordie Morrison of Banff, has returned to the province after spending last year at Washington State University. A member of the Canadian Olympic Ski team, Gordie competed at Oslo Norway, in addition to ski competitions all over Europe in 1950-51. Coming from a family of skiers he began his hill-sliding at the age of 14. At 15, he won the Western Canadian Junior Championship. Gordie went on to win the Western Canada Junior and Senior Championships in 1947. The flashing hickories have taken a back seat this season in favor of his studies. However, Gordie coached and was outstanding member of the Alberta Ski team.

The students at U. of A. wish Gordie every success in the Future.

INTRAMURALS

Grant Moore

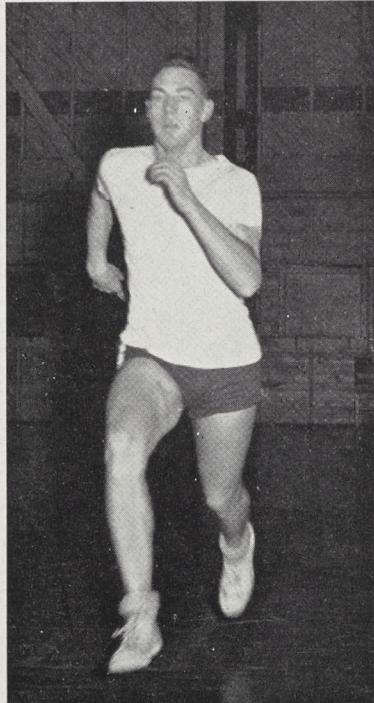

Cross Country

The biggest and best Cross Country race yet held was highlighted by the performance of Grant Moore. Grant ran away from a field of over two hundred and won easily. Don Sargent placed second and Danny Engles third. The team event was won by the Phi Kap's with 54 points who had just edged out the Lambda Chi's with 56 points. Members of the winning team were: Jim Day (6th-tie), Bill Geddes (6th-tie), Dave Van Helden (19th), and Jack Ready (22nd).

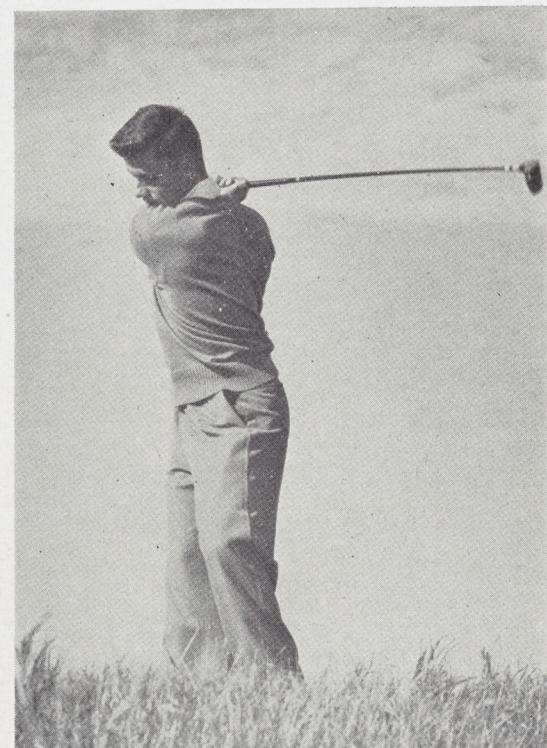

Don Sargent

Track & Field

Bill Bailey

Grant Moore was the individual star of the track and field meet as he won the mile and the half mile races together with the high jump. Ron Thomas won easily in the 100 yard dash, Jim Day won the 220 yard dash, while Bill Bailey outdistanced his opponents in the quarter mile. Costa Chrysanthou cleaned up in the shot put. Lamda Chi's won the team event and the Phi Kap's placed second.

Sandy Fitch

INTRAMURALS

FOOTBALL CHAMPS

Back Row, left to right—Gail Duffy, Bill Johnson, Bob Wright, Jim Millard.

Middle Row—John Fisher, Bill Fitzpatrick, Ed. Garret, Don Macintosh, Chuck Hantho.

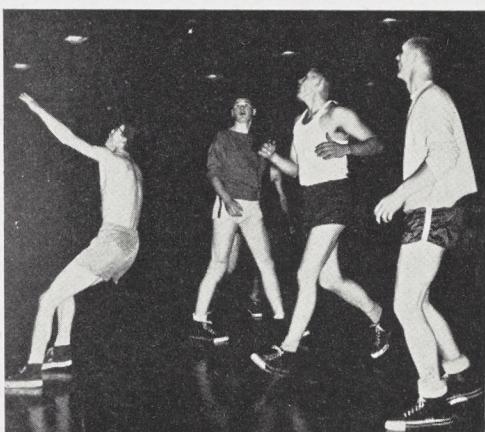

Front Row—Al Durno, Mike Farrell, Harvey Allen, Dale Simmons, Dallas Gendall.

There it goes!

Here it is!

Find the ball!

Got it!

After the last ball was spiked in the Volleyball league the Intramural points were totalled for the year and in order of finishing were:

1. Lambda Chi Alpha Fraternity
2. Phi Delta Theta Fraternity
3. Phi Kappa Pi Fraternity

This year saw the biggest Intramural program yet with over 1000 students taking part in "bush league" athletics. Some of the teams turned in near professional performances to win their championships. Since Intramural athletics provide the players for Intercollegiate teams, the students of this campus can look forward to bigger and better teams in the future.

GOLF CHAMPS

Left to Right—Don Sargent, Keith Lea, Gord Hutton, Ron Thomas, Earl Lomas.

Grant Moore

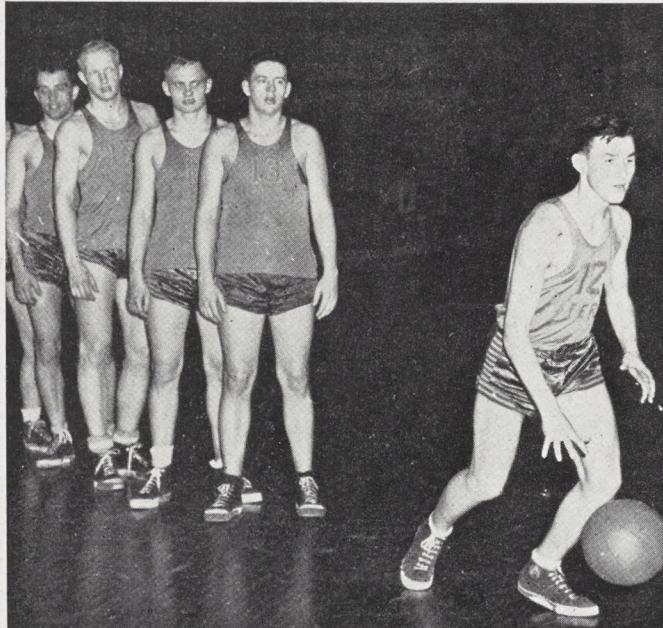

TRACK CHAMPS

Left to Right—Lorne Dixon, Keith Lea, Keith Clements, Howie Mallabone, Louis Gazdarica, Roy Porkka, Jerry Moffat, Ron Thomas, Jim Cameron.

CUBS

BEARCATS

Practice makes perfect!

The University "Cubs" coached by Edith Skitch, moved softly but deftly in the basketball wars this year. Playing exhibition games with Red Deer and the Calgary Branch of the Education Faculty, the Cubs split, winning from Red Deer and losing to Calgary. In the Senior Women's Basketball League, the Cubs secured third place losing only to the Orphans (who topped the league) and to their Senior Team (the University Pandas). Members of the team include: Marion Tracey, manager; Elsie Chivilo, Barb Townsend, Barb Shortreed, June Holman, Mert Clapp, Lorna Daverne, Rita Linke, Pat Wright, Carol Wensley, Collen Cahoon, Ev Bird and Chris Brown.

The University Bearcats playing "good ball" lost only two games, to wind up second in the City Intermediate Basketball League. Rounding out a complete season, the 'Cats gained a two-way split with Calgary and Red Deer in Exhibition games.

Back Row, left to right—Geoff. Mortimer, Coach; Doug Milne, Ernie Molineaux, Ray Blacklock, Bob Wright, Wayne Lalor, Bill Peacock, Manager.

Front Row, left to right—Bob Hayton, Bill Black, Joe Fairbanks, Sid Bercov, Missing—Sandy Fitch.

WOMEN'S WEEKEND

FALL WEEKEND - GOLF AND TENNIS

The Alberta intervarsity golf and tennis teams were finally successful in defeating the Saskatchewan teams last fall.

Alberta was very fortunate in having Rae Milligan, Provincial Women's champion on the golf team. She proved to be a valuable asset by collecting 39 of the team's 58 points. Jolly Smart and Marg Visser were the other players on the intervarsity squad.

U. of A. entries on the men's team, Sandy Fitch and Walter Feniuk made a clean sweep of their matches against the Saskatchewan team, although several of the games were very close, one match going to the 22nd hole.

In tennis competition, Alberta again had the edge, winning 5 of the 9 matches. After the straight events the teams were tied with 4 wins apiece, but the Albertans managed to win the deciding mixed doubles match to take the series. Those on the team were: Ruth Eaves, Muriel Clapp, Ev Linke, Dave Kinloch, Al Lyons, and Nick Romalo.

BASKETBALL AND CURLING

The U. of A. basketball and curling teams were hosts to the Manitoba and Saskatchewan teams this year. This was the first time in some years that Manitoba had entered this competition.

In a round-robin series, the Pandas defeated both the opposing teams in two closely fought games. Top point-getter in the series was Connie Horeak, a first year Phys. Ed. student, while other outstanding players were: Joan McFarlane and Marg Visser who have been on the squad for four years.

Marguerite Jones skipped the U. of A. curling rink to score a "first" by defeating Saskatchewan and Manitoba and capturing the Spooner Curling Trophy for the first time in history. Although down 6-1 in the fifth end to the Bisonettes, Alberta came back to edge the Manitobans 8-7 and then go on to defeat Saskatchewan 12-10. Others on the team were: Jean Thompson, third, Beth Fennel, lead, and Barb White, second.

FANCY SKATING TEAM

Left to Right—Fay Inglis, Ann Becker, Lorna Livingstone, Doris Livingstone, Joyce Bannerman, Diane MacDonald.

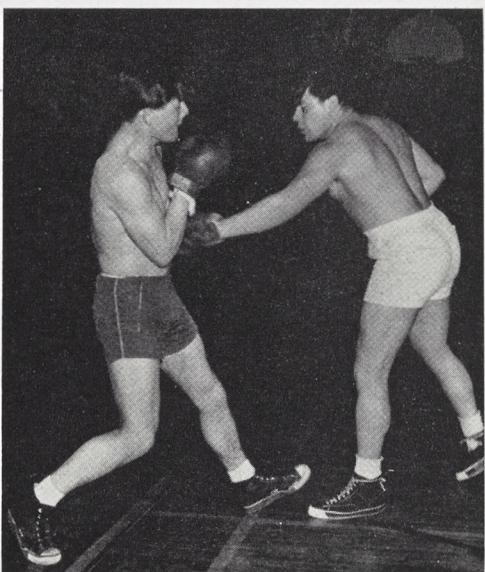

Brown and Hrynyk sweep it into the front ring

BOXING - WRESTLING - SKI-ING

Curling

Barby White, Second; Marguerite Jones, Skip; Jean Thompson, Third; Beth Fennel, Lead.

Outstanding Performances

Grant Moore—Winning the Cross Country Mile and half mile races in the fall.

Gordie Morrison—Outstanding Skier.

Sandy Fitch—Top Alberta Golfer.

Jack Lyndon—Many brilliant performances in goal.

Don Kirk—Figuring in four goals as Alberta beat the Huskies 4-0.

Don and Norm MacIntosh, Ed. Lucht, Don Newton, Steve Mendryk, Len Cooper
—When one was off, two were on.

POST SEASON TRIUMPHS—APRIL 3rd, 1953

FLASH !!

Tonight in Varsity Gym the Golden Bears Basketball team won the right to advance to the Western Canada Senior Mens' Basketball finals by defeating the Winnipeg Grads 80-76, in a thrill packed second game of the best of three final. The issue was in doubt until the last thirty seconds when Don MacIntosh scored the winning basket on a breakaway.

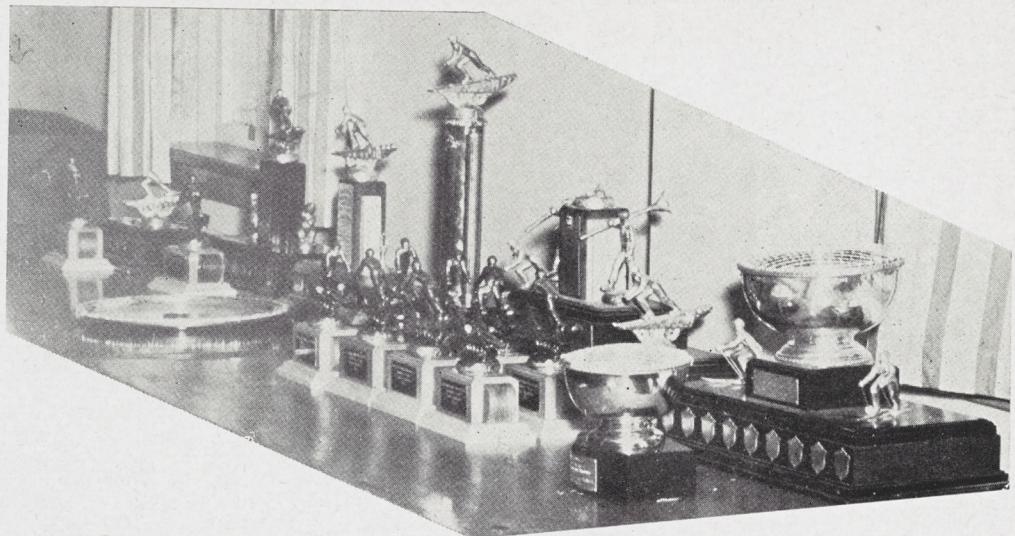

Last night the Bears overcame the spectacular play of King Carl Ridd (who scored 32 points) and went on to win 78-68.

The Bears also captured the Intercollegiate crown and the Alberta Senior Mens' title in this triumphant season.

Congratulations and the best of luck to a great team.

SERVING CANADA FOR OVER 60 YEARS

by manufacturing equipment for the generation and transmission of electric power

as well as a wide range of products that put it to work

At one time or another, almost everybody in Canada has been affected, either directly or indirectly, through some use of a G-E product—whether it's a giant generator or a simple fuse plug, an electric motor which runs an elevator or the electronic control that speeds the newspaper presses, a labor-saving appliance in the home or a two-way radio that summons a taxi.

Canadian General Electric is proud to have played a part, for sixty years, in the ever-growing electrical development of Canada. It is equally proud that the wide range of electrical equipment it produces, the household appliances and the many types of lamps for home and industry, are helping to make life easier and more enjoyable for all of us.

Undecided?

Many Members of the Class of '52 have yet to decide on their future career. Perhaps you are one of them.

For young men and women with the background of academic training such as yours, Canadian business and industry and the professions have never offered greater opportunities. This is particularly true of banking.

You will find the branch manager of The Bank of Nova Scotia in your community a source of friendly and informative counsel. He will tell you about the interesting and varied careers open to you in the banking profession. Canada's banks are expanding rapidly with the national economy and at this time opportunity for service and advancement is great. In few commercial fields are the personal qualities of friendliness, initiative and perseverance so much in demand.

Your B.N.S. branch manager will be glad to advise and assist you in every possible way. Come in and discuss your future with him.

BEST WISHES AND SUCCESS

every Canadian benefits when farmers are prosperous

Farm families constitute one-fifth of the home market for all the various goods and services produced by Canadian workers in factories, mills, mines, railways, stores and offices. The 1951 census showed a total of 2,827,732 people in Canada whose entire income is derived from farming . . . more than the combined populations of Quebec City, Ottawa, Toronto, Winnipeg, Regina, Edmonton and Vancouver. Their needs and "wants" are exactly the same as those of urban dwellers.

When farmers are prosperous, these 2,827,732 people have money in their pockets to buy the things they want. They spend freely, in country stores, city stores, mail order houses. The stores, in turn, step up their orders for supplies, which keeps factories humming, keeps trains and trucks rolling, creates new jobs, fills pay envelopes. Anything that affects the buying power of these 2,827,732 farm people, favorably or unfavorably, is quickly reflected in every other industry.

Massey-Harris presents these points for consideration by urban people in their appraisal of plans and programmes which are aimed to promote the welfare and advancement of Canadian agriculture. Good crops, good markets, and prices that yield a fair return, are essential to continuing prosperity . . . not only of farm people but of every Canadian from coast to coast.

*Alberta Does More for the Health
of Its People Than Any
Province In Canada*

PUBLIC HEALTH SERVICES INCLUDE:

HOSPITAL

Alberta's grants to hospitals to cover the daily, maternity, pensioner and standard ward programs now total over 5 1/4 million dollars per year. Old Age and Blind Pensioners and recipients of Mothers' Allowance and their dependents, receive in addition to hospitalization, medical, dental and eye services. The province also provides Hospital Construction grants for new hospitals or additions.

LOCAL PUBLIC HEALTH

The provincial government assists cities, towns, villages and rural municipalities in handling their public health responsibilities such as school health services, inoculation programs, baby clinics, health education and control of sanitation. In communities where no medical service is available, the province provides 60 percent of the cost of a Municipal Nursing Service.

MENTAL HEALTH

The province has augmented its mental health hospital program with the establishment of Guidance Clinics for the purpose of assisting parents, schools, courts, etc.

CLINICS

ARTHRITIS—Service is now provided for the diagnosis and treatment of rheumatoid arthritis, which includes 90 days of hospitalization for patients under 25 years of age if necessary.

CEREBRAL PALSY—Supporting public organizations, Cerebral Palsy Clinics are now in operation in Edmonton and Calgary.

TUBERCULOSIS—Alberta provide a complete diagnostic and sanatorium service. Travelling X-Ray units have visited almost all of Alberta. The new Aberhart Memorial Sanatorium accommodates 300 patients.

CANCER—The Alberta Cancer program provides free diagnosis, X-ray and radium treatment and surgery.

POLIOMYELITIS—Alberta was the first province to provide a complete polio service. This includes a medical, surgical and hospital service after the quarantine period is over. A rehabilitation program also is provided.

MATERNITY HOSPITALIZATION—Standard Ward Service is provided free up to 12 days for all maternity cases who are residents of the province.

of things musical*

• HEINTZMAN

EDMONTON

Makers of fine pianos for over 100 years

MEDICINE HAT, ALBERTA

*The Oasis of the Prairies
The Ideal Place for Residence
(Pop. 16,500)*

Unlimited supply of Natural Gas, the cheapest fuel in Canada. No smoke, no dust, no ashes. The turning of a tap regulates heat for all weather changes. Electricity for household use and power for industries at exceptionally low rates.

ALL UTILITIES MUNICIPALLY OWNED

Thank You

On behalf of the students of the University of Alberta, I wish to thank the advertisers for their support in the production of our yearbook.

We will remember your help toward this record of such an important part of our lives by patronizing and by helping to expand your industries.

JOHN FRANCIS.
